

MAY BE ON NOVEMBER BALLOT

Millage for Area Recreation Programs Proposed

BELLEVILLE — Voters in Belleville and Van Buren Township may be asked to approve a one mill levy for the financing and maintaining of a year round active and permanent recreational program for residents of both communities this fall.

Steps have already been initiated to get the proposed millage request on the Nov. 5 general election ballot.

If local officials succeed and

voters approve then plans for an all-area cultural and recreational program for young and old alike will materialize, officials reported.

The Van Buren Township Recreation Commission operating now from a fund that depends on donation type funds from city and township governments, school cooperation and other sources recommended to the Township Board Aug. 27, the millage

proposal and received approval.

MAYOR ROYCE E. SMITH of Belleville, it was reported, is endeavoring to aid in getting the matter before area voters if the time for filing the millage proposition with the Wayne County Clerk's office for the Nov. 5 election has not expired. Raymond J. Florian, chairman of the Van Buren Recreation Commission, announced that a joint

committee representing the city and township has been formed in the commission's Campaign to get a year around recreational programs for the benefit of all ages of both sexes.

Committee members selected at a meeting held on Monday evening, Aug. 26, in the home of Rev. Allen B. Rice II, pastor of the United Methodist Church of Belleville are: Rober Bogardus, Larry Boelter, Peter Kress and Rev. Rice, who will represent

the city on the committee.

Efforts to get millage to support community-wide recreation had been considered two years ago but the cut-off date for filling ballot propositions with the Wayne County Clerk's office had elapsed and no special elections were then proposed, Florian stated.

CURRENTLY THE Van Buren Schools cooperate by

sponsoring recreational swimming. Little League activities involving some 600 boys is sponsored on whatever area governmental officials would approve from their budgets. A similar situation exists regarding Babe Ruth League.

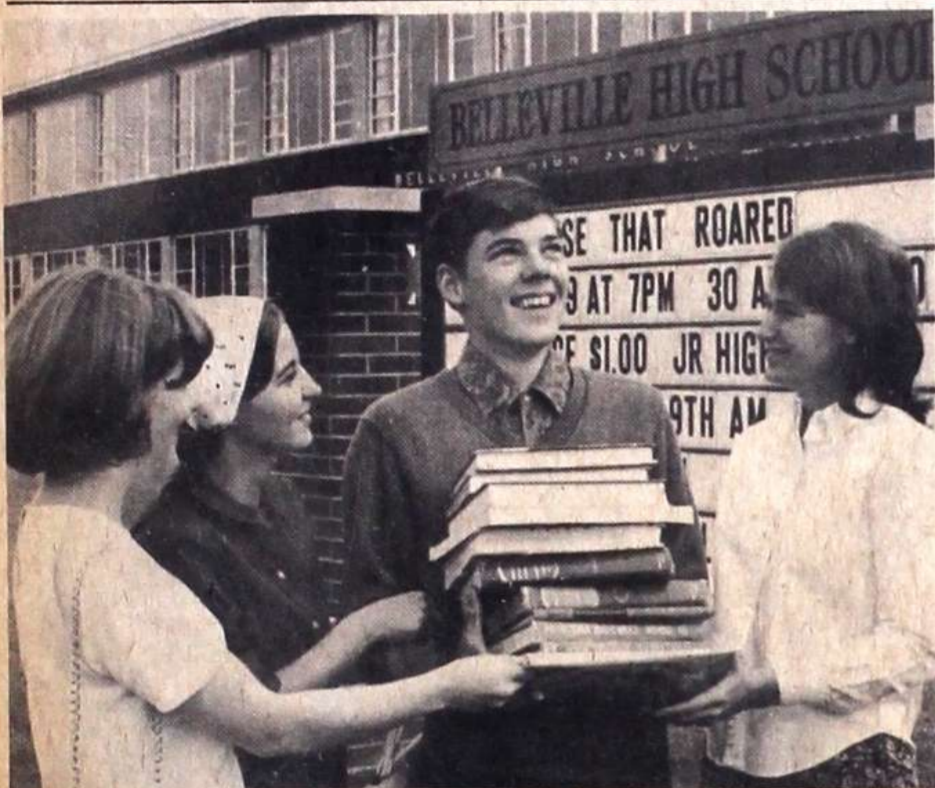

This year the Belleville Summer Drama Group under the leadership of James Lightfoot, Van Buren school teacher presented its initial

production and has aims for year round activities that includes the creation of an Adult Drama Group.

"This millage, if approved, would finance and maintain a program of Arts and Crafts, Theater, Athletic activities, Dance and Teenage programs both indoor and outdoor and for the operation of seven planned recreational centers," Florian said.

The one mill proposal, based on present township property assessment would net for recreational the sum of \$50,000 plus and around \$8,000 from the city.

The proposed recreational centers would require a minimum of \$75 a week for operation or some \$20,000 to \$25,000 a year exclusive of equipment required for athletic programs, Florian estimated.

"OH NOT AGAIN!" was the happy remark of Robert Manning as three young attractive Belleville High students assigned to him their book carrying chore immediately after leaving the student Book Store. Left to right are: Connie Foster, Loretta Belanger, Manning and Loraine Belanger. We are inclined to believe that Robert doesn't mind. Don't You?

SALARY SCHEDULE BOOSTED

Van Buren Teachers Ratify 1968-69 Employment Pact

BELLEVILLE — A new teacher employment contract for the new 1968-69 school year embracing salary raises and other improvements has been ratified by Van Buren Public School teachers.

The teachers ratified the new contract at a ratification meeting called by their Association — The Van Buren Education Association and held at the Belleville High School, Wednesday night, Aug. 28. The vote for approval was 68 to 38.

The Association, sole bargaining agent for some 300 teachers, had 210 of the teaching staff at the meeting. Only Association members participated in the voting.

The new contract's ratification was a reluctant one on the part of the teachers. They felt that they had only a Pyrrhic Victory," Kenneth Askew, chief negotiator for the Association said.

ASKEW HAD presented the proposed terms of the new contract without recommendation. He added: "Teachers accepted the

contract as being the lesser of two evils (alternatives against the contract). They felt that they owed something to the people who supported the millage and they would rather take any contract than go on strike."

During the contract negotiations that began in mid-March, some of the teachers felt strongly toward strike vote, it was disclosed.

THE CONTRACT terms provide for salary increases of \$800 at the start of a 10-step salary scale for teachers with Bachelor of Arts degrees to \$900 at the top. And an increase of \$800 at the start for teachers with Master of Arts Degrees to \$1,000 at the top.

The 10-step range for BA's is \$6,800 to \$10,740 for 11 years of experience and for MA's \$7,400 to \$11,880 for 11 years of experience.

The new salary raises will cost the Board of Education from \$250,000 to \$278,000 for approximately 300 teachers, Askew reported.

OTHER BENEFITS included in the contract are:

Qualifications (minimum) required under state law on teacher certification which had not been incorporated in previous contracts, a new life insurance plan which would give a first year teacher "only" \$68 for accidental death and a maximum payment of 10 per cent of a teacher's gross pay after the first year.

Teachers were not "enthusiastic" about this new plan but in the main it was felt that it was a step in the right direction.

A twenty percent pay increase for coaching. Over a dozen staff members are so engaged during the school year. There was no change in hospitalization which provided \$225 for teacher only and did not cover his or her family and a 50-50 Income Protection Insurance. However, the teachers will not have a say as to the carrier of this insurance. It provides income in prolonged illnesses beyond sick leave.

A PROPOSAL for Agency Shop by the Association was rejected by the School Board. Board members refused to

(See CONTRACT page 2)

ON SUMPTER SPLIT-UP

State Files an Appeal In Van Buren Litigation

BELLEVILLE — Michigan Attorney General's office has taken an appeal on a Wayne County Circuit Court order denying a state request to dismiss a suit filed by Van Buren Public Schools in the Sumpter School District reorganization.

School Board Attorney John E. MacDonald was ordered Friday to submit briefs on the dispute before the Circuit Court of Appeals by 4 p.m., Dale E. Kaulitz, school superintendent, announced.

Van Buren school system is resisting the split-up of the Sumpter School District pending a court declaration and decision on the rights and financial responsibilities on the Sumpter reorganization.

Van Buren is scheduled to get 550 students this school year from Sumpter but court litigation over financing

New Mark

BELLEVILLE — A new record in membership, the highest in its history, was announced this week by Ted F. Kuckelman, executive director of the Belleville Area Chamber of Commerce.

Harvey Stabnau, owner and operator of the Stabnau Sinclair Service Station, located at Main Street and Third, became the 100th member of the Chamber last week.

Kuckelman, who became executive director of the Chamber in April of this year, has increased membership rolls from 58 members when appointed to 100 and has a goal of 125 members by Dec. 1, 1968.

arrangements involving some \$476,000 will delay the take over of most students. The sum is to finance Van Buren's portion of the split-up that had been recommended by the State Board of Education. This amount still remains unpaid.

Wayne County Circuit was to resume hearing on the suit Tuesday. Meanwhile Sumpter students' attendance at Van Buren schools with the exception of high school students, remains in doubt.

Appropriating funds for financing the reorganization of Sumpter that brings the additional students to an already overcrowded Van Buren School District and an inadequate elementary school building is a matter of the state legislature now in recess until January, 1969, it was stated. Of some 11 Sumpter Teachers involved with students slated for transfer to Van Buren, three have been hired so far, Kaulitz stated.

ANTI-POLLUTION CONFERENCE — Local officials meet with state, and county health department representatives and state legislator on pollution problems of Huron River and Belleville Lake. Steps to clean up the river and lake were discussed and a campaign to get voter approval on a state water pollution control bond issue in November was started. Left to right are: Ted F. Kuckelman, executive director of the Belleville Chamber of Commerce; Louis A. Toth, Van Buren supervisor; City Councilmen Kenneth Palmer, Nelson Boone and Ellis Amerman; Sam Stock of the Wayne County Health Dept.; Mayor Royce E. Smith, Maurice Richmond of the Michigan State Health Dept.; State Representative Edward E. Mahalak and Glenn Brown of the WCHD.

Huron Votes on School Millage Hike Tomorrow

NEW BOSTON — Huron Township District School Voters will take to the polls tomorrow (Thursday, Sept. 5) to approve or reject a Millage Increase Proposition for school operations.

The special election is being held at the demand of 298 citizens of the School District who have petitioned the School Board to seek operating funds for a fifth time.

The District is seeking a millage increase of 10 mills including a renewal of a five-mill levy that expires this year.

The School District's three precincts will open at 7 a.m. and all in line at 8 p.m. closing time will be permitted to vote, Mrs. Wilma Wilson, township clerk, said.

VOTERS HAVE defeated millage proposals four times in little over a year. These requests and the present millage proposal is for a period of five years (1968 - 1972) and solely for operations of schools.

The mill levy would be assessed against each \$1,000 of

assessed property valuation, as state equalized.

Many Community and civic leaders and organizations have endorsed the millage and urged approval.

The District's schools go on half days in the new school year and other educational programs

have been cut or reduced due to lack of sufficient funds.

School Superintendent Bryon Antcliff stated the half days probably would not end until at least the second semester due to staffing problems at this time of the year, if the millage is approved.

(see story page 2)

TAKES OVER BATON — Belleville High School alumna Miss Peggy Shoemaker takes over the baton during one of the current practice sessions of the Belleville High School Band. The band's director Edward Downing resigned recently to accept band directorship at the Ann Arbor Huron High School. Former band members, who have graduated, came to the rescue and are volunteering their talents to get the band underway for the new school year pending an appointment of Downing's successor.

Romulus Teachers Reject Terms of New Contract

Delay in School Opening Looms

Talks Reach Stalemate; School Board Stands Pat

By Henry Cantin
ANP Staff Writer

ROMULUS — Contract negotiations between Romulus Community Schools' Board of Education and Romulus Education Association representing the school system's teachers have hit a "crisis stage" as talks on a proposed 1968-69 contract reached a stalemate.

A delay in the opening of school scheduled for today (Wednesday, Sept. 4) loomed a strong possibility when bargaining sessions broke off last Saturday afternoon without any further meetings scheduled.

Teachers have "overwhelmingly" rejected a proposed new contract and counter proposals submitted by REA to the School Board have been rejected, Glen Duke, president of the REA, reported.

THE ASSOCIATION charged that the School Board broke off negotiations and has refused to discuss financial matters any further because of (as William Jakad, assistant superintendent and chief negotiator for the school board states) lack of adequate funds.

Efforts of the REA and PTA to reach members of the School Board over the weekend have been unsuccessful, Duke reported. He stated that the REA is ready to resume negotiations and stated that a new contract on the major issues could be settled in two

hours if the Board was willing. The teachers were to meet Tuesday morning at Progressive Hall for a progress report and to take another vote on the new contract terms.

TERMS PROPOSED by the Board of Education are: A 10-step salary schedule of \$6,900 start for teachers with Bachelor of Arts Degree to \$10,500 and a \$8,100 start for teachers with Master of Arts Degree to a top of \$11,700.

Teachers with specialist degrees: \$9,100 to \$12,700, William Jakad, school board negotiator, reported.

In addition, the terms include an offer to pay \$20 an hour for each college credit hour beyond the BA degree up to 30 hours and \$22.50 per hour beyond the MA degree. Improvements in sick leave with no limit on accumulation are also included.

Jakad reported that the lack of finances has reduced teaching staffs and the lack of classrooms have brought about an increase

(See ROMULUS page 2)

ON WATER POLLUTION

Local Officials Urge Vote OK on State Bond Issue

BELLEVILLE — An all-out campaign to get voter approval for water pollution control by the state was urged by officials that attended last Wednesday's (Aug. 28) meeting on pollution problems of the Huron River and Belleville Lake.

The meeting called by Mayor Royce E. Smith of Belleville was held at the Belleville Municipal Building. Officials attending the session in addition to all city council members were: State Representative Edward E. Mahalak, Glen Brown of Wayne County health Department, Louis A. Toth, Van Buren Township supervisor, Ted F. Kuckelman, executive director of the Belleville Area Chamber of Commerce, and others.

A lengthy discussion was held on anti-pollution steps to be considered in the elimination of pollution in Huron River and Lake and causes that have resulted in increase pollution contents in both the river and lake.

Recently a "no swim ban" was issued by the Wayne

County Health Department for Belleville Lake because of high pollution content. The ban is still in effect.

Officials agreed that the pollution is above the lake and that industries, located in the City of Ann Arbor and Ypsilanti are prime violators.

Voters in Michigan are urged to vote approval on two state bond issues in the Nov. 5 general election.

One bond issue for state water pollution control calls for \$335 million to go to local governments for new sewage plants, improvements in existing plants and loans for new sewers.

The second bond issue is for \$100 million for recreational facilities.

Local governments would receive \$30 million for playground, parks, recreation centers, etc.

The remaining \$70 million would be used for state parks, fishing and hunting areas, forest campgrounds, hiking trails, etc.

VOLUNTEER SERVICES

Graduates Directing Belleville High Band

BELLEVILLE — The dedication and loyalty of former Belleville High School graduates to their Alma Mater was vividly and proudly displayed last week at the high school.

This display of loyalty and

CONTRACT

(continued from page 1)
negotiate insurance if the Association insisted on Agency Shop, Askew reported.

During the last school year, the Association represented 214 teachers of approximately 300 teachers. Askew reports that this representation could be higher this year as some 60 to 70 teachers will become affiliated with the school system.

Commenting on the negotiations that led to contract agreement, Askew said that this year was not a very good year for the Van Buren Public Schools' teaching staffs which saw two millage defeats and reorganization of the impoverished Sumpter School District.

With a new school superintendent and a new school board, Askew said that he hopes that matters will be quite different next year and for the betterment of teachers.

The salary schedule is as follows:

AB	Hours	MA	Hours	MA	Hours
0	6800	7100	7400	7700	8000
1	7040	7340	7640	7940	8240

Barber, Inc To Preview New Cars

BELLEVILLE — Chrysler-Plymouth dealers including Sales and Management Personnel of John Barber, Inc., of Belleville will get their first look at the new lines of 1969 Plymouths, Chryslers and Imperials at a preview meeting at Detroit, tomorrow, Sept. 5.

The showing is one of 21 being held in various parts of the country for dealers and their sales staffs. They will inspect the new models following a closed-circuit, simultaneously televised business meeting for dealers and salesmen which will originate in New York.

Glenn E. White, general manager of Chrysler-Plymouth Division, will head a panel of executives who will discuss the 1969 automobiles and promotional plans to continue the sales momentum which made 1968 a record year for the division. The new models go on sale Sept. 19.

Box Car Derailment Cause Set

BELLEVILLE — A "sharp flange" on the wheel of a freight box car was given as the cause of a train derailment last week at the Savage road crossing of the Norfolk and Western Railroad.

No one was reported injured when the box car derailed. It was originally reported that an electronic contact in the switching control had failed to function.

T.A. Gill, signal maintenance man, said that the sharp flange on the wheel caused the box car to raise and roll off the track.

Huron School Voters Asked to OK Millage

NEW BOSTON — A plea to Huron Township voters to approve a proposed Huron School Millage Increase Proposition was issued by Donald MacGregor, director of Special Services for five communities in southern Wayne County. The millage election is tomorrow, Thursday, Sept. 5.

A mill levy of 10 mills for each \$1,000 of assessed property valuation, state equalized, for a five year period (1968-72) is up for voter decision.

Township voters have defeated millage requests four times in little over a year.

MacGregor said: "As director of special education I have had the

pleasure of working closely with your schools for the past three years.

"Huron School District is a member of a Cooperative Area Special Service Department. We serve the mentally, emotionally and physically handicapped youngsters in your schools as well as in four neighboring districts. Hundreds of your children have been and are being helped to a better education and a better life and because of these services and classes have responded to speech that couldn't be fulfilled in the regular programs.

"I ask your consideration for the little blind, deaf, crippled, emotionally retarded and speech handicapped boys and girls who lived in your community.

"The state provides a good deal but not all of the funds for local education. If the millage requested receives your approval in this election you might just hear the small voice of a child who has had a chance to learn and lived saying thanks for a chance to get the special treatment."

The school districts participating in the Cooperative Special Services program besides Huron Township are Flat Rock, Gibraltar, Woodhaven and Grosse Ile. Some 300 to 400 children are participating in the program.

4H Lists Tractor Winners

EAST LANSING — David Schwark, 16, farm youth from Ovid, Clinton County, was named Michigan champion tractor operator at the State 4-H Club Show held on the Campus of Michigan State University, East Lansing, Thursday (Aug. 22).

ROMULUS REJECTS PACT

(continued from page 1)

in class load from an average of 25 to 30 students to a proposed 30 to 35 students. There is no change in hospitalization providing \$280 coverage per teacher.

The REA is opposing this and salary range as offered. A proposal by REA for an Agency Shop is being rejected by the School Board.

THERE ARE from 12 to 15 points in the new contract including class size, salaries and supplementary matters that are points of contention between negotiating teams.

Efforts by Walter Quillico, state labor mediator, to bring about settlement have up to date been unsuccessful.

Duke reported that the teachers objected to the Board's class size proposal and that they are demanding more pay, binding arbitration and agency shop.

"We are having trouble at the

top salary scale as proposed. We want \$12,700 and not \$11,700. In a statement issued Saturday, the REA stated:

The Romulus Education Association met on Wednesday, Aug. 28 to consider the contract proposal by the Romulus Board of Education for the 1968-69 school year which was turned down overwhelmingly by the teachers.

The teachers had made a contract proposal to the School Board in June which was rejected. Negotiating teams met throughout the summer to try and reach some agreements but movement was extremely slow. Substantial progress was expected after the Board meeting of Monday, Aug. 19.

LABOR MEDIATOR Walter Quillico was called in and met with the School Board and the negotiating team from the Romulus Board of Education Association on Thursday, Aug. 29. There was some indication

of the possibility of movement.

At the present time the Romulus Education Association has filed an unfair labor practice suit against the School Board on the count of surface bargaining.

The Board of Education has made many economic cutbacks in areas that the REA feels are critical areas that are extremely necessary to give the children of this district a full and effective educational program.

As of 10 p.m. Friday evening, Aug. 30, the two teams adjourned until 9:00 Saturday and will try to obtain an agreement.

A teachers' meeting is scheduled for Tuesday morning at 8 a.m. to consider the proposed agreement.

Air pollution causes eye, nose and throat irritation and aggravates chronic lung conditions. Your Tuberculosis and Health Society urges you to protect your health. Work to reduce air pollution.

Two Attend Convention

BELLEVILLE — Mrs. Erma Jean Payne, Van Buren Township clerk, attended the Democratic State Convention at Grand Rapids last week as a member of the State Democratic Central Committee and precinct delegate.

Supervisor Louis A. Toth also participated in convention sessions following an earlier meeting at Newberry, Michigan of the Board of Directors of the Michigan Townships Association.

Steel deteriorates 2 to 4 times faster in air-polluted cities than in rural areas.

OPEN 7 DAYS A WEEK

Daily & Saturday 9-8 Sunday 10-6

A SURE SIGN OF SCHOOL OPENING is when the annual student lineup for books comes around. Above is just what we mean. Belleville High School Student Book Store was opened last Thursday on the gymnasium stage. And from the smiles on the faces of these students school days are going to be happy days. We hope that we are right.

Planners Study New Plan For McMullan Rezoning

BELLEVILLE — The Van Buren Planning Commission is considering this week the pros and cons aired at a public meeting held on a new rezoning petition involving the McMullan Point.

The session, held at the Township Hall last Wednesday, Aug. 28, was a continued hearing on the petition filed by Frank Volk, Sr., Dearborn land developer and owner of 147 acres fronting Belleville Lake between I-94 Expressway and

the Lake and west of Beckley Road.

The seven-member planning commission lacked a quorum when Volk's revised rezoning plan was first introduced on Aug. 22.

At Wednesday's hearing some 16 area residents attended. There were no serious objections raised. But residents presented numerous questions on the feasibility of the proposed rezoning and urged further serious study on the part of the planner before rendering any recommendation to the township board.

OTHERS FELT that the revised aspects of the proposed multiple dwelling project met in some degree with their views.

An earlier attempt by Volk for rezoning of the land plot from residential to multiple for a 2,000-unit apartment complex with tennis courts, swimming pool and nine-hole golf course met with voter defeat.

In the new and revised

rezoning petition now before the planners, the original proposal was reduced in dwelling units to 1,616 apartments from 2,000.

And a portion of the land plot on the east side of McMullan Point and south of Denton Road, around the lake area is being reserved for single homes. Also approximately 150 feet on the north side of Denton Road at the Denton Road and Beckley intersection is reserved for homes, Rodney Kropf, attorney for Volk, reported.

HE STATED that the proposed multiple dwelling project will take some time and will not be completed for two or three years.

The plan presented showed a projected proposed golf course on the Maton property at the northeast corner of Denton and Beckley but it is not a part of the apartment site plan.

It was earlier reported that Volk has requested a zoning for the projected golf course project. This is incorrect.

Tour Club Schedules Rally

BELLEVILLE — The annual national Fall Rally of the Franklin Tour Club will be held at the Wayne County 4-H Fairgrounds Sept. 6, 7 and 8.

Some 200 to 300 owners of Franklin trailers and campers from throughout the country are expected to attend the three-day rally, Charles Shelton of Dearborn, assistant

wagonmaster, announced.

Over 2,000 invitations have been sent to trailer and campers owners inviting them to the Rally, he reported.

The three-day program includes camp fire and group singing, movies, awards of prizes donated by Franklin dealers located in various parts of the country and other recreational activities.

On Saturday, Sept. 7 a Kentucky Fried Chicken Dinner with all the trimmings will be served at 5:30 p.m. with movies later. Square dancing as well as a teen dance is scheduled.

Local merchants are participating by posting lucky numbers in the stores which those attending the rally will receive when registering. They will have to embark on a "treasure hunt" among local merchants to locate the lucky number calling for prizes.

Security's Rezoning Plea Denied

ROMULUS — A Rezoning petition filed by the Security Bank and Trust Company of Lincoln Park for a proposed Romulus Branch Bank was denied last week by the Romulus Planning Commission.

The bank sought rezoning from residential to commercial the northwest corner of Wayne Road and Ronald Street for a branch banking facility.

Kenneth S. Swartzbaugh, representing the Security Bank explained to the planners that three sites had been considered but the site to be rezoned was chosen because it was not in an area which would be congested by other shopping or the highway exit.

The township planning consultants informed the Planning Commission that most of the 20-foot lots on the east side of Wayne Road (opposite the desired location) had been rezoned for commercial which would allow for the branch bank.

The consultants recommended that the vacant commercial are to be developed first before any consideration be given to the west side of Wayne Road. "In this manner, we would be preserving the existing residential character of this area which is most desirable adjacent to any school," the consultants stated. "It would also create spot zoning," they added.

On the basis of this report and the creation of spot zoning, the planners denied the petition.

ST. MARY'S, PA., PRESS:

"We have a government for the people, by the people, etc. A great many of these people complain about the taxes, how this is done and how that is done, but they themselves are just too lazy to go to the polls and vote for any changes... We will have a presidential election in November, that might see more people going to the polls. We sincerely hope so."

ON RIVER POLLUTION

Court Orders Huron Township To Comply With State Directive

NEW BOSTON — Wayne County Circuit Court has ordered Huron Township officials to comply with directives of the Michigan Water Resources Commission calling for a stop to pollution of the Huron River in Huron Township.

Circuit Court Judge Cornelia G. Kennedy issued the order in a hearing last Thursday, Aug. 29, on petition of the Attorney General Frank J. Kelley counsel for the Water Resources Commission.

The commission appealed to the court for compliance to its order after Huron Township voters defeated two Contract Propositions for the construction of a \$4,050,000 sewer program that township

administrators reported would alleviate the drains, streams and rivers of the township and thus bring compliance to the commission order to stop pollution of the Huron River.

THERE WAS no testimony taken from township officials. Briefs had been filed in the case and attorneys discussed the state agency's complaint. Huron Township officials couldn't deny the charges of pollution, George Angel, township supervisor, reported.

The court upheld the agency's action against the township, and set a time table for the submission of plans, construction of necessary facilities and their completion date.

Angel reported that plans must be submitted to the Michigan Department of Public Health by Oct. 1, 1968; that construction must be started by Nov. 30, 1968; and that the township must have completed and place in operation sewer, and related programs by Dec. 31, 1969.

Plans include making preparation for the sale of bonds to finance proposed sewer programs and contracting with the Wayne County Road Commission for their construction.

A request to federal officials for an additional extension on the deadline for a \$452,000 federal grant will be made immediately, Angel said that

the Township received an extension to Oct. 30, 1968, but now additional time will be needed to comply with the Wayne County Circuit's order.

The Propositions defeated by the voters May 6, 1968 were for construction of sanitary sewer improvements in the township at an estimated cost of \$3,140,000 and secondly for construction of sanitary sewer improvements for Huron Township and the City of Flat Rock with the Township's share an estimated \$910,000.

The federal grant of \$520,000 and a payment of \$75,000 by the Lower Huron Metropolitan Park for its share in the sewer program made up the balance of total estimated cost.

Sign Offer Accepted

ROMULUS — An offer by the Kelsey-Hayes Company to renovate the Township Sign, located on the I-94 Expressway, was accepted last Thursday, Aug. 23, by Romulus Township Board.

The sign, promoting the Township of Romulus to industry, will be renovated to read: "Offers a Bright Future for Industry" with all Township Board members names on the sign.

In June, 1967, the highway sign which praised Romulus' industrial assets and listed the township as the "Home of Kelsey-Hayes" was the object of a dispute between Industrial Coordinator Mickey Reel (since resigned to enter private real estate business), and Edmund Bizek, township supervisor.

Both the names of Reel and Bizek were on the sign. Bizek's name later was removed and the name of Reel enlarged with the addition of a phone number of the office of the Industrial Coordinator.

Hearing on New Plant

ROMULUS — A public hearing will be held before the Romulus Planning Commission of a petition seeking the rezoning of some 37 acres of land for the construction of a proposed commercial facility and office.

H. F. Campbell Company of Detroit representing the D.S.T. Industries of Clinton, Michigan, petitioned for a change in the zoning of the land site, located on the south side of Van Born Road, west of Middlebelt Road, from residential to light industry, for a proposed initial facility of office and research on prototype automobiles.

Donald Lambert of D.S.T. firm explained the plans for this new light industry proposed for Romulus.

He stated that it would be a 50,000 square foot building for light assembly work. The facility would be of steel frame construction with a curtain wall of face brick. Colored aluminum panels would enhance the 16 foot height.

Belleville Post Office Site Approved by U.S.

BELLEVILLE — Plans to acquire a new post office in Belleville, were announced jointly Monday by Postmaster General W. Marvin Watson and Congressman William D. Ford (D) 15th district.

"The new building," Watson

said, "is designed to carry out the Post Office Department's objective of a more efficient postal service combined with improved working conditions for our employees."

"President Johnson has asked us to exercise frugality in conducting our governmental operations, and we are doing so. New construction, therefore, is being authorized only when it is demonstrated that the need is urgent and no other alternative is available."

THE ALTERNATIVES, Watson explained, would involve remodeling of the existing building or moving into other suitable quarters in the same community.

The post office building in Belleville will be located on the northeastern side of of Charles street between Third and Fourth streets.

Preliminary plans call for 6,389 square feet of floor space, with an area of 11,000 square feet for parking and maneuvering of postal vehicles.

The Postmaster General said the building will be constructed under the Department's Lease Construction program, with the government's capital investment limited to postal equipment. Raymond J. O'Neil, Belleville Post Master, said.

While leased to the Government, the building will remain under private ownership with the property being retained on local real estate tax rolls.

Plans and specifications for the new building, as well as bidding forms and other pertinent data, will be made available to prospective bidders at an early date, at which time the Department will advertise for bids.

The site option will be assigned to the successful bidder, who will purchase the land, construct the building and lease it to the Department.

Hearing Classes Offered

DETROIT — Adult residents in the tri-county metropolitan area are eligible for fall classes in lipreading and auditory training again being offered at the Detroit Hearing and Speech Center.

Daytime and evening classes at the Torch Drive Agency, 19185 Wyoming, Detroit will begin the week of September 9. There will be basic, intermediate and advanced instruction in the art of lipreading.

In addition the center will offer courses in sign language and finger spelling, hearing aid orientation and sewing for the adult deaf.

For registration and enrollment information, interested applicants should call the Center at 341-1353.

teacher's pet

Back to school and eager to go, too! Who wouldn't be with new Stride Rite shoes to show off like these. Red or black with a double T strap and ribbed Avonite sole for a springy skip. Sizes from infants to growing girls and as wide as EEE. Ask for the Lori.

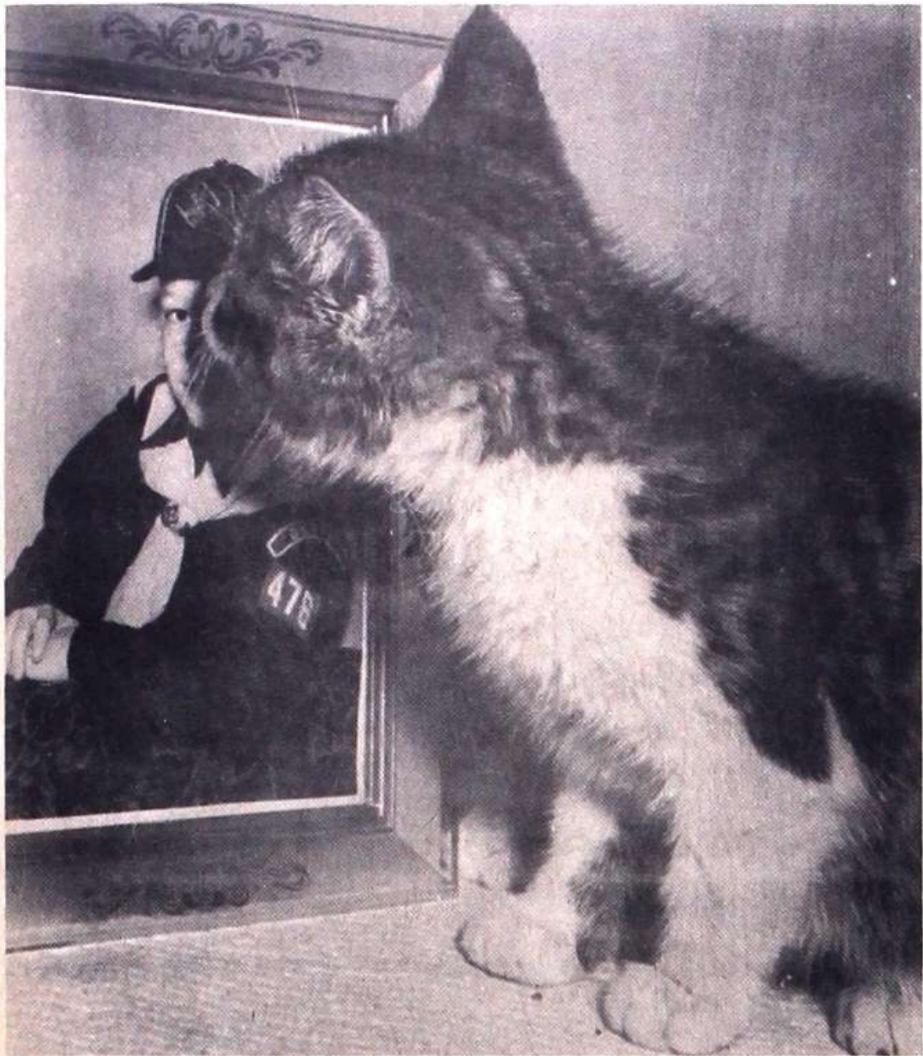

THE STRIDE RITE SHOE

Downtown Ypsilanti at 121 W. Michigan • Store hours, Monday thru Thursday and Saturday, 9:00 to 5:30. Friday 9:00 to 9:00.

"Candid Capers"

By Bill Balogh

LOVE YA' BOSS — Children's pets thrive on attention and affection of their owners. This kitten makes no bones about how it misses its young master who is probably off at school as she plants a big juicy "smooch" on his picture while whittling away the hours till he comes home. Pets and kids are great combinations for happiness and companionship.

DECOR OF THE DAY — If you should suddenly see large bright spots flash by your eyes on the street, don't fret or run for the Belleville Hospital... it's just a small compact car with the latest in small car decor, called "Tikky Daisy" that is becoming popular these days. Getting ready to go off to school is pretty Miss Rosemary Lochli of 7165 Beck Road who adds the final touch with a king size daisy on the back of her VW... oh well....

National Home Month Starts Sept. 14

National Home Month, a traditional once-a-year activity of the Builders Association of Metropolitan Detroit, will start Saturday, Sept. 14, and continue through Sunday, Oct. 13, Gilbert B. Silverman, president of the 800-member BAMD, announced.

Silverman said that upward of 100 single homes, townhouses and apartments in the Detroit metropolitan area would be open for inspection during the month-long period.

The BAMD is co-operating with the National Association of Home Builders in this big housing event, and participants include not only the builders of these fine homes and apartments but the suppliers of materials, services and financing.

Theme of this year's housing exposition is: "The Name of the Game Is Living".

During the 30-day observance, the BAMD and its members will seek to keep prospective home buyers informed of the availability of homes and apartments, and there will be considerable information broadcast about mortgage money conditions, all designed to help the prospective home buyer evaluate the terms of his immediate and long-range housing needs.

Builders participating in National Home Month will identify their open houses with large signs carrying the "Name of the Game Is Living" slogan.

Wayne State University assistant backfield coach Dave Hoover played professionally with the Montreal Alouettes of the Canadian League.

Letter Box

To the Editor:

The cheerleaders of Huron High School would like to seek recognition. Throughout the years all the responsibility has been on our shoulders. Before we became cheerleaders we realized the great deal of responsibility that confronted us. We don't think that the public is aware of the fact that we work very hard to pay for our own uniforms. We had to provide our own transportation to and from the football games in the past.

It is to our belief that we are a part of the Huron Athletic Association as well as the football, basketball, baseball and track teams. Since we are a part of this association we feel we are entitled to at least a small percentage of the funds.

We realize our school is not in the financial position to furnish us with the total amount needed, but we are asking for some financial aid from the local organizations. Your help will be greatly appreciated.

The Huron High School Cheerleaders

DAMARISCOTTA, ME., NEWS: "It is obvious that unless something extraordinary comes we will have more and more and not less and less government domination... Now and then it might be a good idea to refuse a government subsidy until you are sure it is really good. Something for nothing just never exists, and remember the government has nothing to spend but OUR MONEY."

By JIM FITZGERALD

Believe me, I am not complaining," I told my wife, "but you are one kid and five years late."

"OK," she said, "what's this all about?"

What it was about, was an article I was reading about Ti-Grace Atkinson, head of the New York chapter of a new feminist group called National Organization for Women (NOW).

(Right here I will digress for a few sentences. I have long admired the clever people who name organizations so that the initials spell out that organization's goal or purpose. For instance, Miss Atkinson's group wants equality for women - right NOW, buster. If it wanted equality next year the club would be named Ladies After Those Equal Rights (LATER). I once started a club called BACHELOR because I thought that was a great set of initials. But the best I could come up with was Boys Against Curvy Hers Except Lease Or Rent. We had a few meetings but soon disbanded because the members kept buying to protect their option money. They said they wanted more out of life than a pile of rent receipts. I've often thought that, given a better name, the club might have thrived and this would be a more beautiful world for a lot of us).

But back to Ti Hyphen Grace. "She says that surveys prove the most likely candidate for suicide in our country is the 35-year-old woman with two children," I told my wife. "This is because marriage makes slaves out of women."

"She is right," Pat said. "I would have

If It Fitz...

Single Gals Lose Rights

shot myself long ago except then there would be no one to finish filling my Top Value stamp books."

"What else does that woman say?" Pat asked.

SO I told her. Miss Atkinson says women dislike being housewives but they do not get a fair deal in the business world. Of 26 million women in the labor force, only 3 per cent are lawyers, only 6 per cent are doctors, only 11 per cent are bank officers, only 10 percent are chemists and only 1 per cent are engineers. Ti-Grace says that the day must come when there will be complete equality between man and woman. But this can never happen as long as the institution of marriage exists.

"I say if you want full equality for women you have to eliminate marriage and the family," Miss Atkinson says. A woman should decide alone whether she wants children. If she does, they should be raised by special agencies, not by parents. This is already done in communal settlements of Israel and studies show that these children grow up to be as normal as per ple raised by Ma and Pa.

Lest you wonder, Miss Atkinson is not a crazed dropout from an Ann Landers correspondence course. She attended some of the finest schools in Europe and has about six months to go for her Ph.D. She is sincere in her conviction that marriage is a miserable mistake for a woman and a great deal for the man who gets a slave he can dominate. She tried marriage once, for five years, and says never again. And she is no hatchet-faced suffragette. She is a former fashion model who should have no trouble finding a

partner whenever she feels like a game of mixed doubles.

But no matter how glittering her credentials, Ti-Grace is still hung up on her hyphen or something. She is full of bologna.

I WON'T waste many words on that nonsense about giving your children to a "special agency" to raise. The kids at my house are as big a brat as any but I still get my biggest kicks from snarling at them every evening after work. Without kids, I would have to buy a dog to kick. Miss Atkinson has got to be kidding.

But what really bugs me is — where oh where is my slave? I've been married to the same woman 13 years and I have still not been able to teach her the location of the garbage can. Each month of those years our water has needed softening. This is a simple but tiring process through which salt pellets are poured into some sort of a filter. But for all Pat knows, I soften the water with a hammer. She doesn't even know where the softener is.

Those are only two examples of tasks I certainly wouldn't perform if I had a slave. And if I had a slave, I would not open doors for her, carry her luggage, and give her the last seat on the trolley. I would not work hard every day so that my slave could fill a nice home with wicker furniture I can't sit on. I would not jump and tremble every time my slave caught me forgetting to wring out a washcloth. I would not have to tip-toe at 2 a.m. for fear of awakening my slave.

And on and on.

I agree with Ti-Grace that women and men should have equal rights. But I do not think my slave would accept the demotion. NOW or ever.

The new 5% passbook

it keeps your money handy.

For the first time, you can get short-term flexibility in passbook form, *plus* the long-term advantages of guaranteed high-return on your money all in the same package.

Passbook flexibility

You can make deposits at any time, in any amount of \$50 or more. You can withdraw quarterly, without notice, any amount that has been on deposit 90 days or more. And you always have a handy passbook record of your savings.

Highest earnings

Bank of the Commonwealth guarantees to compound 5% interest continuously to give you the highest possible earnings on bank savings programs in Detroit.

Four-year guarantee means over 5½% for you

Bank of the Commonwealth guarantees 5% for a full 48 months which will earn you more than 5½% return.

Choice of three Interest Payment Plans

You may elect to have your earned interest credited to your account, and continue to earn even more. Or, we will credit the interest to another Commonwealth account. Some may want to receive an interest check each quarter.

Money readily available

During the first ten days of any quarter, you can withdraw without notice any amount of your savings that have been on deposit 90 days or more. Or if you need money between quarters, you can get it with just 90 days' written notice.

And you can withdraw your most recently credited interest at any time.

Low initial deposit

All it takes is a \$500 deposit to start your Golden Passbook account.

You can add as little as \$50 to your Golden Passbook account at any time.

And to make adding even easier, you can start a systematic savings plan. We can transfer \$50 or more every month from your checking account—automatically.

Free checking, too

Once you're enrolled in Golden Passbook, you qualify for a free checking account. Check Free and Earn.

That means you can write all the checks you want, make deposits and get a detailed monthly statement, all free.

There's more

Your Golden Passbook is what we call "assignable." That means you can always use it as collateral for a loan at any Commonwealth office.

And, of course, Bank of the Commonwealth issues you an annual statement for tax purposes.

To open your Golden Passbook account, just bring your passbook or other funds from any financial institution into your nearest branch office. We'll make the necessary transfers in minutes.

Carla Hay Wins Honors With 'Marzed' at 4-H Show

ROMULUS — Twelve-year-old Carla Hay, 14170 Huron River Drive, Romulus, won top state honors with her half-Arab pleasure horse "Marzed" while competing at State 4-H Show at Michigan State University, East Lansing, (Aug. 20 through 23.) She is the youngest daughter of Mr. and Mrs. Frederick W. Hay. In competition with boys and

girls from all over the state, Carla, riding "Marzed", was awarded first blue ribbon in the 12-year-old horsemanship class during the annual State 4-H Horse Show held all day Thursday.

A member of the Wayne County Horse Team of nine members, Carla placed in all of her four classes at State. She

took a second place ribbon in Half-Arab Halter Class; a third in Fitting and Showing; and a fourth in Pleasure Class.

CARLA HAY also represented Wayne County in the Horse Demonstration competition at State 4-H Show Thursday afternoon. She was declared the top horse demonstrator at state level with her demonstration titled, "Horse Safety Makes Sense".

However, since she was only 12 years old, she was too young to take the educational award trip to Chicago, Illinois, which is the award for winning this competition.

The judges advised her to try again when she is older and complimented her on her delivery, in front of a number of I.F.Y.E. guests in the audience who were attending this state educational event from a number of foreign nations.

Carla earned the right to compete at State 4-H Show by winning the Junior Demonstrator trophy at the Wayne County 4-H Fair, as well as a trophy for giving the best horse demonstration in the county.

IN COMPETITION with her Half-Arab, "Marzed", at Wayne County 4-H Fair, Carla earned two top blue rosettes and two second place red rosettes. Her total points were 52 out of a possible score of 56.

At County 4-H Fair, Carla also won the Young Miss county clothing trophy and the county trophy in conservation. Carla is a third year member of the Romulus Western Riders 4-H Club.

Her clothing leader is Mrs. Ruth Smith of Wayne Road; Mrs. Pearl Varner of Haggerty Road is her conservation leader; and Mrs. Margie Herrmann of Ypsilanti, her horse project leader.

WINS AWARDS — Miss Carla Hay of Romulus was awarded a first in Stock Equitation Class in the Horse Show at the State 4-H Show held at Michigan State University and a second place finish in the Half Arab Halter. Pleasure horse entries for the one-day show have increased until it is one of the largest events of its type in the state.

Class Set

ELOISE — The Wayne County Department of Health has announced a series of classes for Expectant Parents. The first class in the series will be held at the Wayne County Health Center on Thursday, Sept. 19.

The classes will meet from 7:30 to 9:30 p.m. for eight consecutive Thursdays. They will be conducted by a member of the Public Health Nursing Division staff.

The group will discuss those questions and concerns which are of common interest to them. Included among these will be growth of the baby, care of the mother during pregnancy, labor and delivery, and care of the newborn infant.

For registration or further information, please call the Health Center any week day between the hours of 8:30 a.m. and 4:30 p.m. The telephone number is CRestwood 4-2800 or PA 1-0200, Extension 6894.

Chamber Chatter

BY THEODORE F. KUCKELMAN
Executive Director
Chamber of Commerce

BOTH OF the views below, written more than a century apart, have meaning for citizens today as they face the nation's problems. Supervisors and those reporting to them may find the messages worthy of thoughtful review. Winton Blount, author of the second statement, is President of the U. S. Chamber of Commerce.

Positive Negatives by Abraham Lincoln

You cannot bring about prosperity by discouraging thrift.
You cannot strengthen the weak by weakening the strong.

You cannot help the poor by destroying the rich.

You cannot help the wage-earner by pulling down the wage-payer.

You cannot keep out of trouble by spending more than your income.

You cannot further the brotherhood of man by inciting class hatred.

You cannot establish sound security on borrowed money.

You cannot build character and courage by taking away man's initiative and independence.

You cannot help men permanently by doing for them what they could and should do for themselves.

Problems of Success by Winton M. Blount

Our successes, not our failures, lie behind many of today's problems and we must retain a proper perspective in coping with them.

We have the problem of how to bring gainful employment to less than four percent of our working population — at a time when more than 96 percent have jobs.

We have the problem of how to bring better housing and a better way of life to a relatively small part of our population — at the same time a vast majority of Americans live rich and rewarding lives.

Problems such as air and water pollution, the blight of our cities, mass transportation needs, traffic and highway problems, crowded schools and colleges — all be traced to our tremendous growth and success as a nation.

Serious problems of poverty, slums, discrimination and under-education have always been with us. But they are getting more attention today because we have achieved such affluence that, for the first time in the history of a nation is almost within range of solving them.

It's time to keep a proper perspective because we are dealing with the problems of success, and not the problems of failure.

Completes

Med Unit

BELLEVILLE — Captain David J. Boyd, 24, son of Mr. and Mrs. Bernard R. Boyd, 48730 Huron River Drive, completed the medical service officer basic course at Brooke Army Medical Center, Ft. Sam Houston, Texas.

The five-week course provides basic branch training and orientation for newly commissioned Medical, Dental and Veterinary Corps officers.

Capt. Boyd is a 1961 graduate of Belleville High School and received his D. V. M. degree in 1967 from Michigan State University, East Lansing. Before entering the Army, he was associated with Belleville (Mich.) Animal Hospital.

Air Force Seeks Area Nurses

Sergeant W. R. Williams, local Air Force Representative, has announced that there is a critical shortage of Registered Nurses in the Air Force and the Air Force is offering direct officer appointments to qualified nurse applicants.

"To qualify," he continued, "She must be a registered nurse, between 20-35 years of age, and have no dependent children under 18 years of age." He pointed out the initial tour of duty is two years with the opportunity to extend for additional periods of time or for career purposes.

The A.F. Sergeant urges all Belleville area registered nurses for information on how to better serve their country as well as humanity. His office is located at 6228 Middlebelt Road, Garden City. Phone him at 425-5858.

Romulus Approves Bureau

ROMULUS — The establishment of a Traffic Bureau in Romulus Township was approved by the Township Board, in a special meeting held Aug. 23.

On motion of Trustee James Stewart supported by Trustee Norbert Wegienka, Board members instructed Township Clerk Alfred J. Perry, Township Attorney John E. Young to meet with Justice of the Peace Felix A. Rogalle to meet and discuss the creation of the bureau.

The Traffic Bureau when finalized will become operative when the new District Court Act becomes effective Jan. 1, 1968.

Perry initiated the move for a Township Traffic Bureau. His inquiry was based on the Incorporation Proposition issue facing the township voters in the November general election and the abolishment of the Justice of the Peace Office on Dec. 31, 1968.

...WITH A LASTING TRIBUTE

Our memorial service is one of beauty and reverence that will be remembered long after. It will be a source of comfort and inspiration.

ROBERTS BROS., INC.
FUNERAL HOME

BELLEVILLE

Now you get 5% annual interest guaranteed for 4 years. And 7 other benefits.

1. Maximum Interest Guaranteed.

NBD guarantees you'll earn 5% annual interest for 4 years. By continuous compounding, your money will actually earn the equivalent of more than 5 1/2 % annually.

2. Continuous Compounding.

Since 5% is the maximum annual interest rate permitted by law, we couldn't change that. But we could increase the number of times the interest is compounded. We did. We guarantee to compound your interest minute by minute.

3. Convenient Withdrawal.

Any money that has been on deposit at least 90 days (the legally required limit) may be withdrawn. You can take it out during the first ten days of each calendar quarter without notice. Or at any time with the usual 3-month written notice. Any money withdrawn will have earned maximum interest right to the time you take it out.

5. New Quarterly Statements.

Statements, mailed you each quarter, show the current total of your account, including the additional deposits you've made. They also show the interest you've already earned. And the total amount that has been on deposit long enough to be available for withdrawal without notice.

7. Handy Passbook Folder.

Now you can keep all your statements, deposit and withdrawal slips and Income Tax Statement together in this compact passbook-type folder.

4. Add to Your Account.

You can open a Time Deposit with \$1,000 or more. Then you can add to it in increments of \$100 or more. Even arrange automatic transfer from your checking account. If you start with \$1,000 and add \$100 every month, for example, you'll have \$6,423.95 at maturity.

6. Income Tax Statement.

You get a convenient year-end Income Tax Statement showing the total amount of interest earned during the year.

8. Security and Convenience of NBD.

NBD is one of the largest banks in the country... one reason we can guarantee your money will earn what we say it will earn. And to make it convenient for you, we have nearly 100 offices throughout the metropolitan area. Ask about guaranteed Time Deposits at the National Bank of Detroit.

Kruegers 40th Anniversary Observed At Dinner Outing

By Pearl Morris
WH 1-1187

Mr. and Mrs. William Krueger, of Wick road, returned recently from their summer home at AuTrain and have been visiting their son and family, the William Kruegers, Jr., on Romaine street. Mr. John Krueger is also a visitor here. On August 18, the couple celebrated their 40th wedding anniversary with a family gathering at Colonial House on Telegraph road. Present were the William Kruegers, Jr., and their two sons; Mr. and Mrs. Wm. Kittendorf and daughters of Taylor. The Wm. Kruegers, Sr., and Mr. John Krueger plan to return north after Labor Day.

Mrs. Ida Klages and Miss Violette Klages, of Sterling street, left Friday to visit relatives and friends in Gallopis, Ohio. On Sunday they planned to attend a family reunion in German Ridge, Ohio.

Kenny Krueger, 14, of Romaine street, made his first plane trip this summer, when he flew north to spend some time with his grandparents, Mr. and Mrs. Wm. Krueger, Sr., at their summer home at AuTrain, in the Upper Peninsula. His parents, Mr. and Mrs. Wm. Krueger, Jr., and brother, Kerry, 6, motored to AuTrain August 7, to spend the remainder of the week there.

Mr. and Mrs. Randy White, of

2 Sale Benefits For ALSAC Set

ROMULUS — A combination Bake Sale and Rummage Sale will be held on Wednesday, Sept. 7 in Romulus for the benefit of ALSAC.

The bake and rummage sale will be conducted at the home of the area ALSAC's area leader, located at 11070 Shook Road, during the hours of 9 a.m. until 2 p.m. Proceeds will be used as Aid to Leukemia Stricken American Children.

Asthma is a respiratory disease affecting over 4,000,000 Americans.

Wayne, are the parents of a baby son born August 23. The baby weighed 7 pounds, 1 ounce and was named "Leamon Thomas." The infant's paternal grandparents are Mr. and Mrs. Floyd Collins, of Walnut drive.

On Sunday, September 1, the fall schedule for worship services was put in effect at the Community Methodist Church on Olive street, according to Rev. Frank R. Leineke, pastor. The worship hour for the fall and winter will be 11 a.m. Next Sunday, September 8, the Church School Program will resume, after a summer recess. Mrs. Marge McCloskey is the Church School Superintendent.

Jim Culver, E-1, left Sunday morning from Metro Airport bound for Ft. Benning, Georgia, where he will undergo training as a machinist. Culver spent a two weeks furlough at the home of his parents, Mr. and Mrs. Boyd Culver, on Westvale street, after completing his basic army training at Ft. Knox, Kentucky.

Mr. and Mrs. Phil Smith and daughters, Ann, Mary and Nancy, of Tulsa, Oklahoma, spent six days recently as guests at the home of his brother and family, the H. Leonard Smiths, on Wayne road. Another daughter of the P. Smiths, Mrs. Rene Grace, and her six-month-old daughter, Leslie, motored here to spend the weekend. They reside in Oxon Hill, Maryland.

Local 4-H Junior Leaders are urged to attend the September meeting of their league which will be held Monday, September 9, at 8 p.m. at the 4-H Fairgrounds. Program plans for the year will be discussed.

Mr. and Mrs. Clyde Laine, of Ronald street, entertained at a family "cook-out" on Labor Day. Their guests were Mrs. Jerome Pince (former Bonnie Laine) and her two children, Debbie and Becky, who flew in from Atlanta, Georgia; Mr. and Mrs. Clyde Laine, Jr. and family of Romulus; Mr. and Mrs. Charles Fecay and children of Dearborn; Mr. and Mrs. Tom Laine and family of Haggerty road.

Mr. and Mrs. August Kadau and family of Huron River drive South spent the Labor holiday weekend camping with her parents in the Irish Hills.

Miss Sarah Smith of Wayne Road plans to leave Thursday or Friday for Lindenwood College

in St. Charles, Missouri, where she will be a sophomore this year. She is the only daughter of the H. Leonard Smiths.

Members of the Franklyn Flock family, 15665 Middlebelt Road, won honors with their horses while participating recently in competition at the Michigan State Fair in Detroit. Mr. Flock, with his palomino stallion "Croton Reed", was named grand champion. Candice Flock, with her Quarter Horse "Allen's Kim", won fifth in costume. Franklyn Flock, with his Quarter Horse "Tuffy T-McCue", won his class.

Mr. and Mrs. Tony Treder of Middlebelt road and Mr. and Mrs. Robert Poet were among visitors to the Michigan State Fair Thursday evening. Also Mr. and Mrs. F. W. Hay and Carla, Miss Marie Diepenhorst, Mrs. Flora Morris and Miss Pearl Morris, all of Romulus.

At the Michigan State Fair in Detroit the past week, Mr. Wm. Morris of Pennsylvania road, showed his Palomino stud and received third in Halter; second in Pleasure and fifth in the color class.

HM-M-M, THAT DESSERT — All that dessert — blueberry, apple, pecan, and lime pie plus cakes of every description — proved to be rather overwhelming for the Fitch sisters. Cynthia, 3½, Holly, 5½, and Pamela, 8, (left to right), daughters of the James Fitches, look over the goodies along with Mrs. John Touse and her little daughter, Jennifer, 2½, and try to decide 'just which kind' they'd like. Homemade desserts were one of the big attractions at the annual Kiwanis corn and steak roast last Tuesday evening.

AFTER DINNER TALK — Even the wee ones were part of the act as Belleville Kiwanians met last Tuesday for their annual corn and steak roast at Lower Huron Metro Park. Tiny Kimberly Baldwin, three months, was tucked into her buggy as her mother, Mrs. Michael Baldwin (left) and brother, Michael, Jr., four, chat with Manley Baldwin (next to Mike) and Mr. and Mrs. Bill Burhop and Mrs. Baldwin (across the table.) Also spotted further down the line are Superintendent of Van Buren Schools Dale E. Kaulitz and Mrs. Kaulitz, the Tom Hopkas, and the Clyde Batzer family.

A new addition to the family of Mr. and Mrs. Glennis Trammell, of 7837 Mida drive, Belleville, is the 5 lb. — 14 oz. daughter born Aug. 30 at Beyer Hospital.

Mr. and Mrs. Paul Rigli, of 44009 Willow Run Expressway, Belleville, have a new son. Weighing 6 lbs. — 15½ ozs., he arrived Aug. 30 at Beyer Hospital.

Mr. and Mrs. Frank

Farewell Breakfast At Tator's

Mrs. Robert Kreie, Mrs. Arthur Tucholski, and Miss Sharlene Tator were hostesses at a farewell breakfast Friday morning, Aug. 30, at the latter's home on High street. Honored were Mrs. Edward Downing, of Edison street, and Mrs. Robert Pullen, of High street, who will be leaving soon for residences in Ann Arbor and Dexter, respectively.

Fifteen neighbors and friends enjoyed homemade coffee cake and coffee in the Tator's spacious garden. Each were presented with gifts from the group.

Social Security Issues Report

DEARBORN — Nearly a third of the 24 million social security beneficiaries are people under age 65 — over 5.2 million are survivors and dependents; 1 million are disabled workers; and another million are workers who retired before age 65. Louis Levine, District manager of Social Security, reported.

Cowger, of 15754 Colbert, Romulus, added a daughter to their family Aug. 24. Birth was at Seaway Hospital, Trenton. Mrs. Cowger is the former Beth Eskola.

Another recent birth at Seaway Hospital, Trenton, is the daughter born Aug. 20 to Mr. and Mrs. Daryl Carpenter, of 1 Birch avenue, Romulus. The new mother is the former Mary Grider.

Mr. and Mrs. Gary Clark, of 34030 Willow road, New Boston, announce the birth of a son, Aug. 22, at Seaway Hospital, Trenton. Mrs. Clark is the former Donna Stanley.

Romulus residents, Mr. and Mrs. Edward Schwarz, of 23812 Maple lane, have a new daughter born Aug. 22 at Seaway Hospital, Trenton. Her mother is the former Karen Kuschel.

MISS TATZKA

November Altar Date Is Planned

Our Lady of Good Counsel Church, in Plymouth, is being reserved for the November wedding of Teresa Ann Tatzka and Roger B. Thurston, both of Plymouth. Their engagement and nuptials plans are announced by Mr. and Mrs. Willard Tatzka, of 676 Holbrook street, Plymouth, parents of the bride-elect.

The prospective bridegroom, who resides at 9440 McChumpha road, Plymouth, is the son of former Belleville residents, Mr. and Mrs. Donald L. Thurston, of 346 Irvin street, Plymouth.

MISS DELIS

Student From Paris Speaks At Rotary

Completing a summer tour of the United States, Miss Jacqueline Delis, of France, spoke last Tuesday at the weekly Belleville Rotary dinner. A freshman at the University of Paris Literature School, Miss Delis told the group of her native country and her experiences while traveling through the states. She is currently staying with Mr. and Mrs. Charles Majeske, of Mc Carthy street, Ypsilanti.

Square Dance Enthusiasts, You're Invited

The 'B-Squares', intermediate square dance club of Belleville, is holding a fun night Friday, Sept. 6, at 8 p.m. at the United Methodist Church of Belleville. This evening is being planned as an introduction to the group and as an invitation to join either a beginners or intermediate class.

The intermediates will meet the first and third Fridays of the month at the Methodist Church while beginners will hold their sessions at Haggerty School on the second and fourth Fridays.

For further information contact Mrs. John Touse, 699-5841.

Cooked Meat 'Minder

Chill it rapidly and refrigerate quickly. That's what you should keep in mind for any cooked meat that's left from a meal.

Not only will this preserve precious vitamins, but it assures saving flavor.

Emphysema kills over 20,000 Americans every year.

Hospital --- Briefs

BEYER HOSPITAL (August 24-31)

MEDICAL — Donald Wolfe, 10780 Willis rd., Willis; Ty Hogan, 7227 Beck rd., Belleville; Frank Montie, 44151 Bemis rd., Belleville; Brenda Hogan, 43203 Harris rd., Belleville.

SURGICAL — Danny Featheringill, 10, son of the Addison Featheringills, 47116 Mc Bude rd., Belleville; Ann Bondy, 49295 Willis rd., Belleville; David Stephenson, 45063 Robson rd., Belleville; Nocha Stacey, 47179 Ayres rd., Belleville; Ricky T. Baker, 4, son of the Earl T. Bakers, 43618 Harris rd., Belleville; Patrick Crum, 2, son of the Denzil Crums, 13618 Fairview crt., Belleville.

Catholic Women Plan Bus Tour And Luncheon

"Meet Christ in the Central City" is the invitation going out to outer city and suburban women from the urban affairs section of the Council of Catholic Women of the eight-county southeast Michigan Archdiocese of Detroit. To update concerned citizens on conditions and progress in family self-help projects and services developing for homeless girls and adults, a bus tour is scheduled for Tuesday, September 24, at ten o'clock to be followed by lunch at the council's headquarters at 305 Michigan. Knowledgeable volunteer guides from the United Community Services Women's Division will conduct the tour.

Father Richard Ward, founder of numerous central city shelters and instigator of ongoing programs for rehabilitation of victims of alcoholism and of broken homes, will talk with the women who stay for the lunch, to enlist their aid or assist in their developing similar projects where needed.

Reservations are needed on or before Wednesday, September 18, by means of \$1. check for the bus tour and \$1.50 for the luncheon, if desired, payable to DACCW and mailed to 305 Michigan, Detroit 48226.

Emphysema is the second leading cause of disability among applicants applying for early Social Security payments.

There's A New 'Horizon' At Greenfield Village

An Easterner's view of the old west forms the framework for both comedy and melodrama in the most recent offering of the Greenfield Village Players at the American Drama Festival in the Henry Ford Museum Theatre. Romance also plays a part in "Horizon," the stageplay that most critics consider the best of

many plays penned or adapted by noted playwright Augustin Daly in the second half of the 19th century.

Two other Daly scripts, "Needles and Pins" and "Under the Gaslight", plus Joseph Jefferson's version of Rip Van Winkle have been rotating in repertory during the past few weeks. "Horizon" completes the schedule for the 1968 American Drama Festival season, which continues through September 14. The repertory schedule is so arranged that starting August 19, theatre-goers can see a different program on any four consecutive nights or on the same night of the week for four consecutive weeks.

The newest arrival, "Horizon," first opened at the Olympic Theatre in New York on March 21, 1871. The satire begins immediately as three members of New York society and an English gentleman decide to travel to the western horizon, feeling certain that if they are bothered by Indians they can merely call a policeman.

Old Hospital Becomes Apartments

ROMULUS — The one time Romulus Hospital and former Flight Kitchen, located at Goddard Road and Bevins is being remodeled into apartments.

The old structure will be converted into eight or nine apartment units, he reported.

Conversation Starters

DICK and BILL HOOK

Local forecasts are available from the United States Weather Bureau for two days. In nine cities, this forecast may be obtained by merely dialing Weather 6-1212. Experimental 30-day "Long Range Weather Outlooks" are made on the 1st and 15th day of each month, and are available from the Superintendent of Documents, Washington, D.C., at \$4.80 per year. Weather maps give an indication of local weather. The weather usually rides with the wind. Wind directions are indicated by arrows. Rain, snow and cloudiness are indicated by other symbols. Connecting lines indicate equal air pressure.

Complete and dependable dry-cleaning service is available from HOOK'S CLEANERS INC., 32328 Mich. Ave., Wayne PA 2-0162, 35 Main, Belleville, 697-8600, 37311 Goddard, Romulus, 941-1010. Fast, one-day service. Shirt laundry — in by 10, out by 4.

HELPFUL HINT: Make transoms or small curtains from the good part of old curtains.

ROMANTIC LOOK SLEEPWEAR

THE NEW LADY-SCOUT DRESS, making its debut this fall, was approved by Board members at a preview showing at National Girl Scout headquarters in New York. The new look is contemporary, casual, comfortable and durable. The same basic design of the modified A-line, walking pleat, patch pocket green dress comes in two materials, Kodol wash and dry and Dacron wool, and in two sleeve lengths. The matching beret will fall into a shape preferred by its individual wearer. Suitable for almost any occasion, Girl Scout insignia and identifying pins are attached to the dress when worn for Girl Scout activities.

Appetizers And Garnishes

Crisp raw vegetables are a joy for weight watchers because they are low in calories. Many garnishes can be used for the finishing touch to a crisp summer salad or meat platter. Do try some of these:

Broccoli and Cauliflower: Raw and broken into bite-sized flowerets, are crispy-good in salads or on relish tray.

Carrot Curls: Cut a medium-sized carrot in half lengthwise. Use the vegetable peeler and cut thin lengthwise strips from the flat side of the carrots. Roll each slice into curl,

secure with wood pick and dip in ice water.

Stuffed Carrots: Remove center of carrots with apple corer and stuff with firm cheese spread. Chill and slice just before serving.

Celery Curls: Break stalk of celery into branches. Cut each branch into 3" lengths. At the end of each piece, make 3 to 6 lengthwise cuts almost to the center. Crisp in ice water.

Carrots, celery cucumbers, fennel, peppers, summer squash and turnips can be cut in slim, lengthwise sticks. Crisp in ice water.

Feathered Celery Sticks: Cut branches of celery into 2" sticks, or use the whole small top branches and heart. Make thin, short, diagonal slits all along edge. Turn the pieces over and do the same on opposite edge. Put in ice water. Large diagonal slices of carrot can be feathered also.

Lohr & Willis Rds., Belleville - Open 9-6 Daily

Local Trio To Receive P.N. Degrees

Fifty-two students will graduate on Thursday evening, September 5, from the 39th class to graduate from the one-year program in Practical Nurse Education conducted by the Ann Arbor Public Schools Practical Nurse Education Program. The exercises will be held in the Ann Arbor High School auditorium at 8:00 p.m.

The commencement speaker will be Miss Nan Millikin, R.N., Director of Nurses, Wyandotte General Hospital. Rev. Ralph J. Ferguson of Dexter, husband of one of the graduating students, will give the Invocation and Benediction. Mr. Rudolph Silverstone, Director of Vocational Education of the Ann Arbor Public Schools, will present the certificates. Graduating students taking special parts in the exercises are Miss Cynthia Newby, piano accompanist; Miss Nadine Hutchinson, flute solo; and Mrs. Jane Maslin, student response.

Since the program's beginning in September, 1949, over 1300 students have been graduated. The majority of these graduates are now working in hospitals, doctors' offices, and health agencies throughout Southeastern Michigan.

One class of 60 students is admitted each September and January. Graduates of the program become Licensed Practical Nurses upon passing the State Board of Nursing Licensure examination.

Additional information regarding the program may be obtained by contacting Miss Mae Edna Doyle, R.N., Director of the program, by calling 663-1332 or writing to her at 401 N. Division Street, Ann Arbor, Michigan.

Local graduates will be Mrs. May Leanna French, of 12100 Sharon street, Romulus; Miss Patricia Ann Wilson, of 46233 Chatsworth drive, Belleville; and Miss Judy Hickerson, of 17987 Hazel street, Romulus.

Beef patties are great plain, but spice them for a change: one-fourth cup of catsup mixed with two tablespoons prepared mustard and one-eighth teaspoon of cloves. Spread this on the patties for serving.

BELLEVILLE BREVITIES

Last Summer Holiday Is A Week-End Event For Most

BY MRS. JOSEPH SPRING OX 9-4021

Mr. and Mrs. Paul Clark, of Liberty street, accompanied Mrs. Clark's sister and husband, Mr. and Mrs. Herbert Plegier, of St. Clair Shores, on a trip south last week. While gone they visited the ladies' brothers, the John Olsen family, of Florissant, Missouri, and the Wilfred Olsen family at West Monroe, Louisiana. The foursome made the

trip by car returning last Thursday evening.

Mr. and Mrs. Henry Deering left Saturday morning for Buffalo, N.Y., to spend the holiday weekend with their daughter and son-in-law, Mr. and Mrs. Otto Lindemann, and family.

Captain Sam Emerson, formerly from Ft. Devens, Mass., arrived Friday on a delay-in-route to Oakland, California, to spend a short time with his parents, the Justin Emersons of Madelon street. Captain Emerson will report for duty in Viet Nam on Sept. 4.

Friends of Ernest J. Fulford of Lotz road, Wayne, were sorry to hear that he had suffered a heart attack on Monday, Aug. 26, and was a patient at St. Joseph Hospital, Ann Arbor, in intensive care. At last report he was a trifle better.

Mr. and Mrs. S. D. MacGillivray of Clearwater, Fla., were Wednesday afternoon callers on their aunt, Mrs. Clara DeGarmo, at the J. H. Tator home on High street.

Mr. and Mrs. Darryl H. Raymond, Sr., returned home on Tuesday of last week after spending a few days at the Krebs Cottage at Van Etten Lake near Oscoda.

Kenneth Nollf and Robert Tator spent the holiday weekend at the Walter Nollf cottage on Long Lake near Hale.

Robbe Moore, son of the Jasper Moores of Birmingham, is spending the week with his maternal grandmother, Mrs. Samuel H. Robbe, of Huron River drive.

Miss Pat Emerson, of Madelon street, left on Sunday, Aug. 25, for New Canaan, Conn., where she has accepted a position to teach fifth grade.

Mr. and Mrs. Donald F. Raymond motored to Curtis last Friday, where they were guests of Mrs. Raymond's parents, Mr. and Mrs. George Lindblad, Sr., of Denton. Lorrie Raymond, who had spent a week with her grandparents at their summer home in the upper peninsula, returned home with her parents on Sunday.

Mr. and Mrs. Clayton Saunders were Sunday dinner guests of their son Lynn and wife of St. Clair Shores and later attended the State Fair in Detroit.

Mr. and Mrs. Lewis Lester attended a family picnic Sunday at the home of the former's brother and wife, the Verne Lesters, of Northville.

Wednesday callers on Mr. and Mrs. Clayton Saunders, of Liberty street, were cousins from Cleveland, Ohio, Mr. and Mrs. Stanley Linek. They were enroute home from Charlevoix and reported that Clayton's mother, Mrs. Lillian Moore, who was a hospital patient, was some improved.

Members of the Saturday night Bunco Club enjoyed their annual Labor Day picnic Monday at the home of Mrs. A. H. Amrhein on Bemis Rd., Ypsilanti Township.

Mrs. Joseph Spring spent Wednesday afternoon with her cousin, Mrs. Isabelle Taylor, of Plymouth.

FORMER BELLEVILLE residents, George and Violette Vunich, stopped off at Metro Airport

Monday, August 26, and enjoyed a brief visit between planes with his father and step-mother, Mrs. and Mrs. Tony Vunich, of 109 E. Columbia avenue, and also with Mr. and Mrs. Steve Kenisky, of Belleville; Mr. and Mrs. Andy Patrino, of Ypsilanti; and a cousin, Ted Capin, of Dearborn.

The Vunichs were enroute to Germany on business and while on the continent they plan to visit Yugoslavia, Greece, Italy, and France.

The visitors now reside in Sepulveda, California where George is a principle of Torite Enterprises, Inc., a firm manufacturing filters for the automotive and aerospace industry.

CORN ON THE MENU

Belleville Kiwanians, their families and guests, numbered about 75 as they gathered at Lower Huron Metro Park last Tuesday for their annual corn and steak roast. The huge expanse of grill was manned by Bill Carrier, Art Hill, Ed Hudge, Ed Stoelton, Archie Gauthier, and Paul Ostrowski, who came away with singed knuckles as they presided over a mighty hot task.

Paul Ostrowski and his wife, Betty, were in charge of the year's preparations which produced another well-laden buffet table — each lady having brought her special dish or dessert for the near-smorgasbord event. Such delicacies as huckleberry pie topped with whipped cream, German chocolate cake, and lime pie were highlights of the dessert table as men, women, and children tried to make up their minds as to what or which one?

HERE 'N THERE

RECEIVED A short note from Mrs. John Newton, of West road, New Boston, last week — direct from Seward, Alaska — telling us of the beauties of the 49th state and how well the salmon were running. She'd also been doing a bit of gold panning and had met up with former Romulus residents, the Bill Hugheys (now of Fort Meyers, Florida), who were sharing the same campground ... AS WE were reporting Mrs. John Tononi's return from the hospital a couple issues back, she was being rushed to Harper Hospital for a second time due to a re-detached retina which was causing hemorrhaging. She underwent surgery Tuesday, August 27, and will remain for an indefinite stay. Cards may be sent to Room 608 to cheer her ... THE EDWARD HUDGES were in Wyandotte on the 24th to take part in a surprise housewarming party for Mary Anne's grandmother and aunt. Moving for the first time in 74 years, Mrs. Jessie Ososkie, who's 94, is now ensconced in a modern new apartment with her daughter, Sylvia. A buffet supper was prepared by relatives who presented the new apartment-dwellers with a gift of money with which they could 'do as they pleased.' ... SERGEANT GEORGE F. BORDT, of 27630 Goddard road, Romulus, stationed at Hickam Air Force Base, Honolulu, Hawaii, was recently promoted from Airman First Class to Sergeant.

AFTERGLOW PARTY

"THE MOUSE That Roared" closed its four-performance schedule Friday night playing to a full-house at Belleville Junior High. The Belleville Summer Drama Group, under the direction of Jim Lightfoot, closed its first production with the hopes that another such undertaking will follow next year and in years to come.

(continued on page 9)

Romulus Rotary Sets Barbecue

ROMULUS — The Annual Chicken Barbecue sponsored by the Romulus Rotary Club will be held on Sept. 15, from 10 a.m. till 8 p.m., Jacko J. Koch, publicity chairman, announced.

The barbecue will be at John F. Kennedy Park, located at Five Points, Romulus. Donation is \$1.75.

NEW APPOINTMENT — Mrs. Robert Pullen, of 404 High street, Belleville, has been appointed Division Chairman for the Belleville - Van Buren area's residential campaign, officials of the United Foundation announced. The 20th Annual U.F. Torch Drive will get underway October 15 and continue through November 7.

NEW BOSTON EVENTS

Moore Family At Meeting In New York

BY MRS. JAMES KRAUSE 753-9516

A reminder that Saturday, September 7, is the date for the Annual Country Fair at the Willow United Methodist Church. The fair will begin at 11 a.m. and end at 5 p.m. Featured will be baked goods, fancy work, fresh and canned fruits and vegetables, jellies and jellies, homemade candies and a white elephant booth. A light luncheon will be served starting at noon.

Mr. and Mrs. Vernon Moore and family have traveled to Hamburg, New York, where Mr. Moore is attending the Ford Motor Company U.A.W. Skilled Trades meeting Aug. 26th and 27th. Mr. Moore is the Committeeman from Local 387

All Around The Town...

(continued from page 7)

Following the final curtain Friday night the cast, production staff, and a number of parents attended an 'afterglow' party hosted by Mrs. John Freysinger of Sunrise lane. A buffet lunch was set up with assistance from the Mesdames Elton Gollwitzer, L. L. Lorenton, Thomas Books, Ernest Ryback, Frank Upton, and Clark Corey. Floral arrangements were brought in from the Vernon Ketchum's garden and a special cake with the inscription, "Congratulations Mr. Lightfoot and the Belleville Summer Drama Group" alongside a regal-looking iced mouse and the title of the play, centered the table.

An engraved plaque was presented to Mr. Lightfoot from the adult staff members and a set of initialed book-ends were a gift from his cast members. About 75 in all attended the closing celebration.

of the Woodhaven Stamping Plant. The family will visit points of interest in and around Buffalo, New York.

Relatives and friends of Mr. and Mrs. Thomas Dulecki (nee Nancy Keller) will welcome

them home with a gathering at the Edward Dulecki home on Huron River drive this Sunday. Thomas was discharged from the U. S. Army Aug. 16, after being stationed at Fort Lewis, Washington. Mr. and Mrs. Dulecki will be making their home in this vicinity.

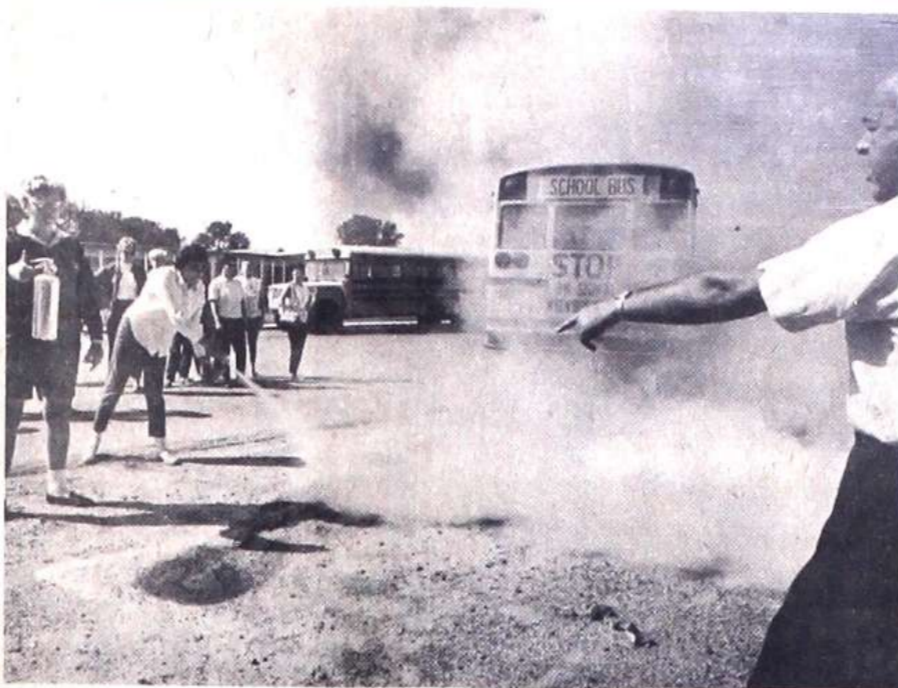

Area Lodge To Confer Degree

BELLEVILLE — On Saturday evening, Sept. 14, a Master Mason Degree will be conferred in Myrtle Lodge No. 89 F. & A. M., 515 Main Street, Belleville. The Lodge will open at 5 p.m. and recess at 6:25 p.m. Dinner will be served at 6:30 p.m. by The Eastern Star Chapter No. 73, with Mrs. Arthur Skaggs supervising.

At 8 p.m., Lodge will reopen and the Master Mason Degree will be conferred.

Master Masons from Pennsylvania and Ohio will be attending, along with brothers from Plymouth, Ypsilanti, Flat Rock, Monroe, and Detroit.

A large turnout is forecasted and reservations should be in no later than 9:00 p.m. Sept. 10, 1968. Reservations can be had by calling any of the officers of Myrtle Lodge, F.E. Donaldson, Junior Deacon, announced.

"GET THAT FIRE" is the command of Homer Earl, director of EMU's school bus driver education. He is training Van Buren school bus drivers a program that they are to pass on to other area school bus drivers. The fire demonstration was one of many illustrations in the training course held last week, at Belleville High School.

4 H Club Wins Awards

The Thunderbird 4-H Club of Romulus was well represented at the recent 4-H Fair held in Belleville.

The fifteen Club members received many awards in the projects that they carry by coming up with 27 Rosettes and 61 Blue Ribbons. Brian Beaty and his sister, Shalimar of Belleville received blues in Sheep, horse, foods, woodworking plus Shali receiving blue in clothing, Jr. Leadership, Veterinary Science, leathercraft. Rita Crews, blue in horse. Marsha Gruden, blue in horse. Brian Lauzon, blue in leathercraft and red in horse, this is Brian's first year in the Club.

He and his family are moving to Canada this fall and the Club Members will be sorry to see him leave Romulus. John, Kathy and Colleen Shine also received blues in horse and their ponies. Pam and Tim Katona of Belleville received blue with their ponies and Tim received a red in woodworking. Denis Pawlowski of Belleville received blue with her pony and also in foods, freezing and clothing. Jeff Traskos received blue with his pony and in woodworking, and his younger brother Gregg received blue in woodworking.

Gerry Doede of Lincoln Park received blue in Jr. Leadership and red with his new horse, Guy Klein of Romulus received blue in horse.

AT THE Awards program held on Saturday night, Guy Klein was presented the Grand Champion Rosette plus being the first boy to be awarded the Western Champion Trophy, the Eugene Madej Memorial Plaque and the new Plaque in memory of Jim Fisher, a former 4-H'er who was recently killed in action in Vietnam. Tim Katona received the Grand Champion Rosette and Trophy in Pony and young Jeff Traskos was Reserve Champion in Pony.

Shali and Gerry were presented with the Junior Leadership Trophies by Robert Paulson, former 4-H County Youth Agent. Shali and Gerry also received medals for being selected to represent Wayne County in the Horse Judging Team.

Roland Barrette, a leader and member of the Wayne County 4-H Fair Board was presented with a Plaque for meritorious service to 4-H as was Mr. and Mrs. Christian Fischer, organizational leaders of the Thunderbird Club and being in charge of the Horse Project at the Fair this year.

SHALI WAS chosen to go to State Show and was runner-up in clothing. Tim Katona was Reserve champion in pony and placed first in POA halter, and placed in the top five and ten in his other two classes. Guy Klein placed second in Fitting and showmanship in horse, and also placed in the top five in his other classes.

The Club's August meeting was held at the home of Jeff and Gregg Traskos and final plans were made for the Club's Annual Fall Round-up to be held Sept. 8, at the home of Mr. and Mrs. Ed Beaty, also Leaders in the Club. Mr. and Mrs. Corwin Moore of Farmington will Judge and Ringmaster the days events. A buffet style pot-luck will be served in the late afternoon. The Club is

hoping Paulson and his family will be back from their Eastern vacation to join in the day's events.

This fun day is held each year for club members and their families, it is also a day when farewells are in order to those who are leaving 4-H. This year Gerry Doede of Lincoln Park will bid farewell as a member, and become a project leader, the Thunderbird Club is fortunate to have the former members remaining on as leaders. This Club is active in the County as a whole, as many of the leaders hold office various 4-H groups and activities.

THE CLUB has also submitted a letter to the 4-H Council whereby they would like to sponsor Citizenship Gold Medals to 4-H members chosen at County level to take the Citizenship Short Course at National 4-H and the trip to Washington, D.C. Five of the Club's members have been fortunate to attend as delegates. Shali and Gerry have been very active in this program this past year, they have shown slides and given talks at various organizations and Shali has been on the committee for Citizenship this past year.

The September meeting will be held at the home of Gerry Doede. Election of new officer's will be held as the new 4-H year starts Oct. 1, 1968 - Sept. 31, 1969.

Outdoor Group Sets Corn Roast

BELLEVILLE — The Huron Valley Conservation Association will hold a corn roast on Sunday, Sept. 15.

This is the fourth event held since the founding of the association last January.

Free corn and beverage will be included with the one dollar price of the ticket.

Tickets are available at Hoot's Chicken and the Belvil Bar.

The grand prize of a Remington Wingmaster Shotgun will be awarded at the drawing to be held at four p.m.

Charter membership in the Huron Valley Conservation Association is still available to local area men and boys who are interested in sportsmen and conservation activities.

Monthly meetings are held the second Monday evening of each month at 7:30 p.m., at Rogalle's Banquet Room, at I-94 Expressway and Haggerty road.

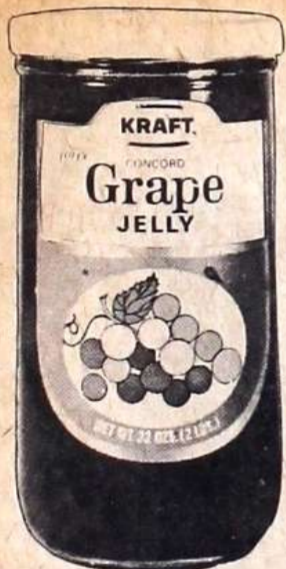

The election of officers and directors will take place at the meeting of Sept. 9. James Hable, publicity chairman, announced.

Save! On "Double Graded" Produce Buys!

Van Buren Township

Joseph Kouba Gets Post Office Award

ROMULUS — Joseph F. Kouba, popular Rural Mail Carrier on Romulus Township R.F.D. Route No. 1, was recently awarded a "superior accomplishment award" by George W. Austin, Romulus Postmaster, said.

"Joe", as Kouba is generally called, has served the patrons of Route 1 since April 1, 1944, and has demonstrated outstanding performance in his duties as rural carrier. He has made many friends among his patrons and many compliments have been received by the postoffice regarding his courteous, tactful and accurate service.

Although he can now retire, Joe states he enjoys his route and the people he serves entirely too much to trade for the proverbial rocking chair.

The accomplishment award consists of a plaque in recognition of notable service, a pin to be worn on the coat lapel and a check for \$250.

All the Romulus Postoffice personnel join in wishing Joe many, many more happy days serving his route and the patrons thereon.

RECEIVES POST OFFICE HONOR — Joseph F. Kouba, Romulus mail carrier, right shown receiving "Superior Accomplishment Award" from Postmaster George W. Austin. Joe has served the patrons on Route No. 1, Romulus, since April 1, 1944.

SAYS FORD

Industry Prospects Excellent

The Ford Motor Company released a statement this week to the Associated Newspapers listing prospects for the U.S. automobile industry as "excellent."

The statement was released jointly by Henry Ford, II, chairman of the Board, and Semon E. Knudsen, president of the Ford Motor Company.

Ford said, "We have had strong increases in the sales of both cars and trucks. Sales to date in the 1968 calendar year have been at annualized rates of 9,500,000 cars and 1,800,000 trucks, including imports.

"New-car sales should continue at a rate well above 9,000,000 units through the fourth quarter of this year," Ford stated. "This could lead to record deliveries of 9,300,000 new cars in the 1969 model year, surpassing

the existing high of 9,134,000 sales during the 1966 model year."

Knudsen added, "Truck sales in the 1969 model year should be between 1,700,000 and 1,800,000 units."

Knudsen also stated, "Our optimism for the coming model year is based on indications of consumer confidence, plus continuing high levels of employment, personal income, capital spending and credit availability. Scrapage should continue at a yearly rate of about 6,500,000 cars and car ownership during the next 12

months should increase by approximately 2,800,000. Gross National Product should continue to grow, although at perhaps a somewhat lower rate than in the immediate past because of governmental efforts to control inflation."

"If the war in Vietnam should end before next fall, our expectations for the 1969 model year would be even greater," Ford concluded.

125 million tons of pollutants are dumped into the air each year.

CITATION PRESENTATION — Romulus Township Representatives accept a citation from The WWJ Stations proclaiming the Township of Romulus "Community of the Week." Appearing left to right are: Reverend Frank Leineke, Township Treasurer Joe Wallis, Township Supervisor Edmund Bizak, Township Clerk Alfred J. Perry, Member of the Board of Education Carl Morris, WWJ's Shelby Newhouse, and Kelsey Hayes Representative Eugene Crosby. WWJ personality Shelby Newhouse presents the award concluding a special WWJ "Suburban Salute." A broadcast of the salute to Romulus was heard Monday, August 26, 7:10 P.M. The Township of Romulus was commended for "its outstanding achievements in the many areas of today's community living; for the dedicated spirit of its leaders in public office, business, and education; and for the enthusiastic civic pride demonstrated by its citizens."

FORMS AT ATCHINSON FORD

Registration for Punt, Pass And Kick Competition Opened

BELLEVILLE — Boys age 8 through 13 in the Belleville area can now register for the eighth annual Punt, Pass & Kick Competition.

Football-minded youths with skills in punting, passing and kicking will be awarded trophies and trips in this national program sponsored by Ford dealers.

Headquarters for registration in Belleville is Atchinson Ford Sales Inc., 9800 Belleville Road, where entries will be accepted through Oct. 4.

Entrants must be accompanied by a parent or guardian. There is no charge as the entire competition is absolutely free to all entrants

and all equipment such as footballs and kicking tees are provided. No body contact is involved in PP&K competitions.

WHEN THEY register, boys receive a free booklet of competition tips written by Green Bay's star passer, Bart Starr, the Atlanta Falcon's punting specialist, Billy Lothridge, and St. Louis Cardinal's kicking leader Jim Bakken. The booklet includes exercises for better physical fitness oriented to boys of PP&K's competition ages.

In addition to the booklet each registrant receives an attractive PP&K lapel pin.

The basic principle of PP&K underlines fairness in competition to give every boy an equal chance to win, pitting contestants only against those their own age. Points are awarded for each foot of distance the ball travels on the fly, with points subtracted for each foot the ball lands to right or left of a center line.

Eighteen handsome trophies will be awarded locally by Atchinson Ford.

Gold trophies go to first place finishers, silver to second and bronze to third, with first place winners going on for further competition in Zone contests.

WINNERS OF Zone competitions will receive trophies and runners-up are awarded certificates. Zone winners move to District competitions where 216 District champions will be awarded trophies and go on to compete for Area championships.

Area champs travel to division events in NFL stadiums in St. Louis or Atlanta where twelve finalists are chosen - six from the NFL Eastern division and six from the NFL Western division. Winners are accompanied by their fathers to all Area and Division competitions.

THE TWELVE Division winners go, with both parents, to the Orange Bowl in Miami, Florida, for the National Finals during the annual NFL Play-Off Game. Then all 12 National finalists and their parents will go on a "Tour of Champions" to Washington, D.C.

The Punt, Pass and Kick Competition is sponsored nationally by Ford Dealers and the National Football League.

Co-sponsors in Belleville are Atchinson Ford and Belleville Kiwanis Club.

Citizenship Day

Members of the Boy Scouts of America in this area will take part in the observance of Citizenship Day on Sept. 17, to Leo Brewer, Activities Chairman of the Detroit Area Council, announced.

Through 2,155 Cub Scout packs, Boy Scout troops, and Explorer posts, the Scouts will remind people to fly the U.S. flag as a symbol to inspire citizens to serve their country and to support and defend the Constitution, Brewer said.

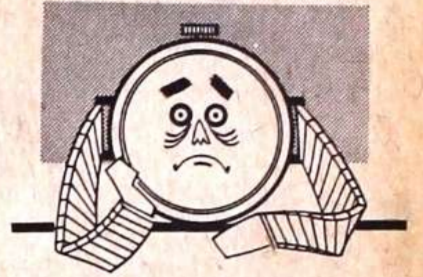

Citizenship Day has been designated by Presidential proclamation since 1952 when a joint resolution of Congress replaced "I Am an American Day" which had been observed from 1940 to 1952, Brewer explained.

Many of the Scout units in the Detroit Area Council will serve as flagbearers, distribute posters, make presentations on the history of the flag, and participate in other community projects.

Cinderella Grid Team? How About Romulus

Eagles Are Agile and Hostile

ROMULUS — Could Romulus emerge with the Twin Valley Conference football championship this season? A lot of people in this area think that second year coach George Pratt is going to surprise a lot of other people.

Pratt who is building big and strong is a sound football fundamentalist and knows that the leap from the cellar to the

top of the league is almost an impossible feat. He'll have to leap several obstacles in order to be in contention.

First, there's Willow Run, the undefeated defending champ standing in his way. And Ecorse always has its say about who's going to get the crown. There's tradition to fight — the Eagles haven't had a winning football season for so many years that the record books are lost in the

pile of dust. But Pratt has a lot of things going for him:

(1) He has one of the league's most capable performers in Nate Williams who has been shifted to fullback in order to produce those elusive touchdowns. Faster than ever, Nate will use his 240-pound frame to crash through the line and he'll play the middle linebacker to make sure the opponents don't try the

ground for yardage. (2) Pratt has a promising halfback in Rance Thomas who proved in scrimmage that he's someone to watch. (3) His quarterback worry — which was a major one last year — could be solved if either versatile athlete Paul Seestedt or Chris Gilinski came through.

But Romulus' football fortunes are also tied with an interior line which looked

ragged in the Eagles' first intra-squad scrimmage of the season.

"We looked bad," said coach Pratt. "There are no ifs or buts about it and we must improve in a hurry or I'll take my chances on freshmen if necessary to do the job."

The center of that interior line is occupied by John Wagner who's being pushed for the slot by Tim Sypulla. Others coveting

the post are John Stanek and freshman Fred Stallings.

"We have a better all-around team than we did last season but these boys will have to go out there and prove it," said the Romulus coach.

Although Romulus retains 16-lettermen from last year's squad, most of the griders are untried and inexperienced. The Eagles will have to cover a lot of ground before they'll be ready

for alien onslaughts from the outset.

The first "alien" on the list is Livonia Franklin, a team which will be out to defend its share of the Northwest Suburban Conference championship with a new coach, George Lovich and 18 letterwinners.

Romulus will be on the road for their initial encounter at Franklin, a game slated for Sat., Sept. 14, at 2 p.m.

Romulus High '68 Schedule				
Date	Team	Site	Time	
Sept. 14	Franklin	A	2:00	
20	Wayne	H	3:30	
27	Hamtramck	A	4:00	
Oct. 4	Lincoln Pk.	H	3:30	
11	Ecorse	A	3:00*	
18	River Rouge	H	3:30*	
25	Willow Run	A	8 p.m.	
Nov. 1	Inkster	H	3:30	
8	Robichaud	A	3:00	

* League Games

THE SPORTS MERIDIAN

By Tom Mooradian

A Break For Lunch

Cubs in this business of news gathering are constantly reminded that when a dog bites a man, that "ain't" news, and, nowadays, even when a man bites a dog, you shouldn't get too excited — it just isn't news.

But what if a group of football coaches and athletic directors put the bite on an old sports editor like the Sports Meridian?

That's news. The coaches dished it out and the Sports Meridian had to take it — a little bitter at times, but he accepted what the guys on the other side of the typewriter had to say.

The occasion? The first annual Associated Newspapers Football Luncheon held last Wednesday at Seits in Westland. (And before you restaurateurs begin canceling out your ads because we didn't honor your food, let it be known we intend to shift these luncheons each year.)

Over 30 coaches and athletic directors showed up for the chat while the ANP was represented by co-publisher Ray Clift; general manager, Dave Willett; and managing editor, Bob McClellan.

Wayne Memorial athletic director, Bill Elliott, and Inkster head football coach Sylvester Mosley, were unable to attend because of deaths in their respective families.

We were saddened by the news that Bill's father had passed away.

Wayne Memorial, however, was represented by Dick Miller, and first year head grid coach Vas Badalov. Inkster was the only school not represented at the luncheon.

Among some of the items cleared away, aside from a steak dinner, was the system of selecting the annual All-Area grid team. In previous years, the Sports Meridian took care of that — and the parents and players took care of him.

Thanks to suggestions from the coaches, that's all cleared up now. "Geographical centers" have been set up and teams in those areas will send data about All-Area candidates to coaches heading those areas. After the season, the coaches and the Sports Meridian will get together and decide the team.

In Belleville, the local team, along with Romulus and Huron, form one of those "geographical locations." Coaches in that area, after viewing their players' performances for the week will forward their information on to coach Jim Richendollar of Belleville.

In the Inkster area, where Cherry Hill, Inkster and Robichaud are involved, the information will be sent on to Cherry Hill coach Joe LaScola. In Wayne, Wayne Memorial, John Glenn and Wayne St. Mary's coaches will turn data over to Glenn's Bob Lusk.

Finally, in Garden City, West, East and Livonia Franklin griders will be viewed by their coaches and the facts, in the form of a card, will be handed over to newly-appointed Livonia Franklin athletic director, Walt Cosens.

This, of course, will leave the Sports Meridian off the hook and now, you folks will have to find another guy to burn in effigy.

Player Of Week In Danger

And we would like to thank Bill Gladstone, a local civic leader, for offering to present our "Player of the Week" with a gift. But, according to Bill Hidenfelter, AD at Belleville, and the Michigan High School Athletic Association, there is a ruling which prohibits prep (and collegiate) athletes from accepting prizes, money, gifts, etc., because it affects their amateur standing.

And while we're handing out those thanks, a big "Thank You" to Manny Lentine who took over as emcee so that the Sports Meridian could sit down and listen to what the coaches had to say.

A job well done, Manny.

About those "Players of the Week" — the only way we will be able to meet our ANP deadline is if you coaches can come up with pictures of the individuals on your squads.

Playing games Friday, Saturday and Sunday, leaves us to select the Player on Monday. And Lothar and flying Bill Balogh say it's impossible for them to get out to shoot the candidate on Monday and come back to the dark room to develop the pic in time.

They've tied my hands — I hope not yours.

The question of newspaper coverage? Of course we on this side of the typewriter understand what you want. We have also been on the other side. But we're in the newspaper business and people want news — in this case, sports news.

Give us something to write about — keep on winning by 60 or losing by 60 — and you'll get the headlines.

And like Mr. Clift said, "We'd like to please you all, if we can." Some witty mentor handed me this little poem while I strolled out of the luncheon room. Thought you'd be interested:

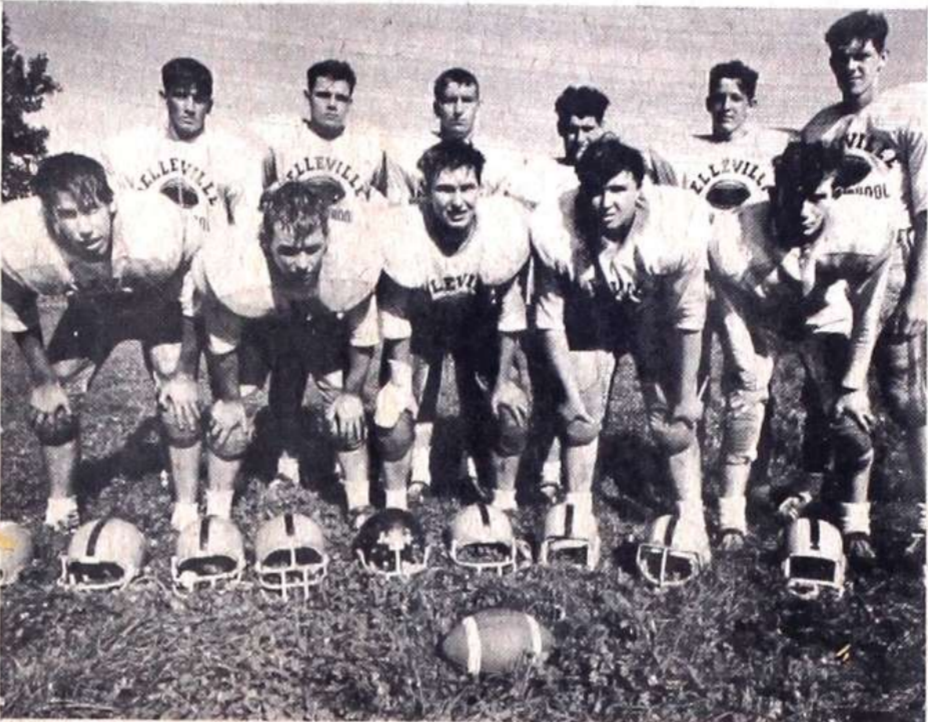

"Coach was aloof
When He was Hot
Now he's Losing
& he is not."

Skelton's Airplane At Air Show

DETROIT — The airplane of Betty Skelton — one of the world's best known aviatrix — will be exhibited by Campbell-Ewald Company, at the National Aviation and Space Exposition at Willow Run Airport, Sept. 14 and 15.

Miss Skelton retired from professional flying in 1953, and automotive test driving in 1956, after establishing more aviation and automotive records combined than any other person in history. Currently, she is an advertising account executive with Campbell-Ewald serving on the agency's Chevrolet account.

Miss Skelton's plane, "Little Stinker," is the original Pitts Special designed and built by Curtis H. Pitts in 1946 specifically for aerobatic flying. In it, Miss Skelton won the Woman's International Aerobatic Flying Championship in 1948, 1949, and 1950, becoming the only woman to win three consecutive world's championships.

NEW TIGER GRID MODEL — Rarin' to go is Belleville's 1968 grid team which makes its debut against Wayne Memorial on Sept. 13th at 8 p.m. Some of the members of coach Jim Richendollar's squad are (left to right) Norm Harrington, Rick Emerson, Lee Schmidt, Jim Harrison; second row are Steve Hampton, Gary Gentle, Bruce Bara, Mark Harden, Bill Hidenfelter and John Yocum.

BUT CHIEFS HAVE OLD PROBLEMS

New Grid Era at Huron

A new football stadium, a new conference alliance and a flock of new faces go into the making of Huron coach Tom Grange's third year as head grid coach. But, although the future looks bright for the Chiefs, the present is dismal and haunted.

Hovering over the Chiefs is a winless Lake Shore conference year and the possibility that the record could be repeated. Grange may snap his 0-7 overall record in this year's campaign, but he must find replacements to fill in the gaps. Last year his hopes were shattered when the Hurons got off to a late start because the electorate failed to pass a millage issue.

This year Grange must become a "walker-on-water" performer if he expects to lead his Chiefs out of winless exile and into the victory columns of a tougher Huron Conference. Some fans say only a miracle worker can accomplish what Grange is plotting — to snap a 14-game losing streak. Quickness and speed — offensively and defensively, are what Grange is banking on.

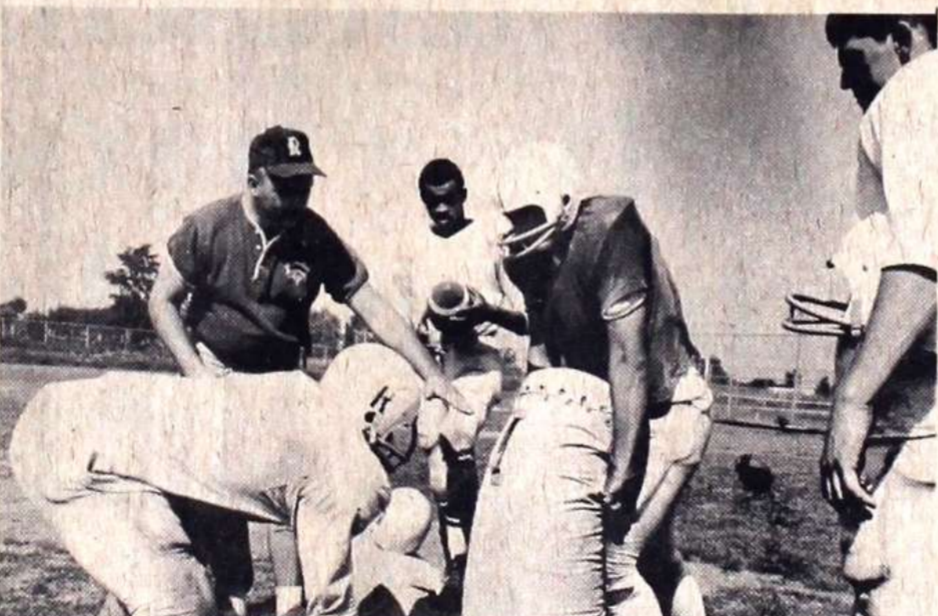

Huron lacks depth, experience and the manpower and that adds up to misery. There are, however, five players to keep your eyes on — quarterback Randy Clark, halfback John Johnson; Therle Dreganski, linebacker; Craig Adaline, tackle; and Joe Richert, center.

On defense, Huron has Harold Franklin, Gary Shrader and Bill Crocker who could turn the trick.

"Without question we will lack experience both ways," said Grange, "but we're now ahead of last year's pace. On the brighter side, our backs are as fast as any and if we can get some breaks, they'll have to catch us," he said.

Huron will have a couple of more weeks to get into shape for their Huron Conference debut. They'll face an old foe, Carlson, in the opener which is set for Friday, Sept. 13th.

And Grange isn't superstitious at all. "Let them worry about the 13th and it being a Friday," he says. "We have other problems to resolve."

THIS COULD BE — Romulus' second year head coach George Pratt gets things going for the Eagles, pointing out the way he wants things done. Pratt, who's looking for an improved season, has a veteran team to help him launch the year. And this could be the start of Romulus' best grid year.

New opponents on the 1968 Washington (Mo.) University, Wayne State University football schedule are Temple, Washington & Jefferson and Augustana (South Dakota).

Wednesday, September 4, 1968

Robichaud Appoints New Athletic Head

Robichaud High School has a new, aggressive, imaginative and competitive athletic director in Jerry Summerhays, a 25-year-old graduate of Michigan State University.

Summerhays inherits the controversial department left vacant by the resignation of veteran grid coach and AD, Keith Emerson who left the school system for an assistant grid coaching position and teaching job with Redford Union High School.

Summerhays, who earned his B.S. in Education and masters in physical education, has been teaching in various school systems for the past four years and is a former coach from DeWitt, Lansing.

His major task will be to revamp his department which was hit by a series of resignations over the past year.

"I know we have had some problems in the past," said the new AD. "I feel we have to reconstruct our department so that we can attract outstanding personnel and coaches to make our athletic program a success."

That said Summerhays was only one of the problems that confronted him. There were several others.

Over the past year there have also been radical tensions in the school and area, student walk-outs and arrests, physical violent and fights between students and teachers. The school and community leaders have united to resolve some of these difficulties.

Tiger Song Released

DETROIT — "SOCK IT TO 'EM TIGERS" is now a recorded song, released on the Detroit Sound label, just in time for Detroit Tiger fans to cheer their team through the home stretch.

The York Mills Trio sings the new Tiger song, written by Leonard Moss and produced by E. A. Steiner, Jr.

"SOCK IT TO 'EM TIGERS" is a singable, spirited song that expresses the "we've got a winning team this year" feeling.

Distributed by Steiner Promotions, Inc., "SOCK IT TO 'EM TIGERS" is available through all of the One Stops and other retail record outlets.

This record can also be obtained by sending \$1.00 to: "Sock It To 'Em Tigers" at 12730 East Warren, Detroit Michigan, 48215.

Salem Holds Golf Tourney

SALEM — Salem Hills Golf Club will conduct its fourth amateur golf tournament of the season — a two-day bestball event — on Saturday and Sunday, Sept. 14-15, pro-manager Robert Szilagyi announced.

Tee time for the two-day event will be 2 p.m. each day. Entry fee is \$10 for the 36 holes of golf. Four dollars of each fee will be turned into a prize fund. All prizes will be redeemable in merchandise at the clubhouse. Golfers of all handicaps, as in the past, are encouraged to enter the tournament. Szilagyi pointed out. Players will again be flighted according to first-day scores.

Entry fees may be paid at the golf course, 8810 West Six Mile Road (three miles west of Napier Road), up until one hour before tee time. Reservations may be made any time by calling the golf course, 437-2152.

Flood, River Pollution Cleanup is Demanded

ROMULUS — A Resolution similar to one in Van Buren Township calling for immediate action to determine a solution to the problems of surplus waters and undesirable pollutants in the Huron River Basin has been approved by Romulus Township Board.

The Resolution directs the Township Clerk Alfred J. Perry to inform the Wayne County Board of Supervisors, the Michigan Water Resources Commission and all other municipalities affected by the

Romulus Delays Board Meeting

ROMULUS — The Sept. 2 meeting of the Romulus Township Board of Trustees has been postponed until Sept. 9, Township Clerk Alfred J. Perry, announced.

flooding and polluting of the Huron River of the Board's action. The Township Board complained that the period of time between June 30 to July 1, 1968 resulted in unusual rainfall and flooded conditions in Romulus Township. Other communities located on both sides of the Huron River within Wayne County experienced similar circumstances.

The Board also complained that since June 20, as the result of the flooding conditions, the City of Ann Arbor has been permitting the disposing of raw sewage into the Huron River which has created serious health hazards and even has restricted the use of Belleville Lake for recreational purposes to the detriment of citizens who in the past have enjoyed the facilities of the lake.

ROMULUS TOWNSHIP RESOLUTION NO. 68-27

WHEREAS, the period of time between June 20, 1968 to July 1, 1968 resulted in unusual rainfall and flooding conditions within the Township of Romulus, Wayne County, Michigan; and

WHEREAS, neighboring communities located on both sides of the Huron River within the County of Wayne, State of Michigan, experienced similar circumstances; and

WHEREAS, namely, Belleville Dam, Rawsonville Dam, and the Flat Rock Dam allowed surplus waters to be spilled over without any warning or notice to their neighboring communities; and

WHEREAS, these dams are owned by both private and municipal concerns; and

WHEREAS, as a result of the flooding conditions, the City of Ann Arbor has since June 20, 1968 been permitting the disposing of raw sewage into the Huron River which has created serious health hazards and even restricted the use of Belleville Lake for recreational purposes to the detriment of those citizens of Wayne County who have in the past enjoyed the facilities of such Lake; and

WHEREAS, the County Board of Supervisors, pursuant to Section 5.344, Michigan Statutes Annotated, has power within the County over any dam which crosses a navigable stream; and

WHEREAS, the Water Resources Commission has jurisdiction pursuant to the powers and duties pursuant to Section 3.522, Michigan Statutes Annotated, to make an investigation into this problem as well as the powers given to the Water Resources Commission pursuant to the Surplus Water Act, being Act No. 20, Public Acts of 1964, as amended; and

WHEREAS, the lack of an emergency warning system resulted in needless and unwarranted damage to citizens of the Township of Romulus as well as other adjacent communities bordering on the Huron River; and

WHEREAS, no positive steps have been taken by the County Board of Supervisors or the Water Resources Commission towards seeking a solution to this problem; and

WHEREAS, the Township Board for the Township of Romulus desires to demand that the County Board of Supervisors and the Water Resources Commission take immediate action to determine a solution to the problems of surplus waters and undesirable pollutants in the Huron River Basin.

NOW, THEREFORE, BE IT RESOLVED that the Township Board of the Township of Romulus does hereby direct the Clerk to make formal demand that the Wayne County Board of Supervisors and the Water Resources Commission take immediate action to determine a solution to the problems of surplus waters and undesirable pollutants in the Huron River Basin.

BE IT FURTHER RESOLVED that the Clerk be directed to send copies of this resolution to the Wayne County Board of Supervisors, the Water Resources Commission and all other municipalities affected by the flooding and polluting of the Huron River.

All resolutions or parts of resolutions inconsistent herewith are hereby repealed. The effective date of this resolution shall be immediately.

I hereby certify that the attached constitutes a true and complete copy of a resolution adopted by the Township Board of Romulus Township, Wayne County, Michigan, at a special meeting called and held on August 23, 1968.

ALFRED J. PERRY, Clerk
Township of Romulus

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Romulus Township Planning Commission will hold a Public Hearing on September 26, 1968, at 8:00 P.M. Daylight Savings Time at the Township Offices, located at Goddard and Sterling, Romulus, Michigan, on the following proposed Amendment to the Zoning Map:

To rezone lot 1007 consisting of 37.99 acres, of Supervisor's Romulus Plat No. 15, to an M-1 Zoning District.

This property is located on the south side of Van Born Road west of the UAW-CIO Local Hall in Section 2.

A copy of the Tentative Zoning Map may be examined at the Township Offices during business hours from 9:00 A.M. to 4:30 P.M. on week days until date of the Public Hearing.

ROMULUS TOWNSHIP PLANNING COMMISSION

An International Bar-B-Que

BAR-B-Q HOSTS — Members of Romulus Rotary Club joined fellow Rotarians from Harrow, Ontario, Canada, in a international get-together Aug. 14, at Lower Huron Park. Above are some of the club members inspecting menu of spare ribs and corn.

PREPARING THE FEAST — Al Hill, former Washtenaw County Sheriff (left) is being assisted by Ron Hopson, Romulus Restaurant operator, to prepare spare ribs and corn. Standing nearby are Mickey Reel, realtor, and Bill Crova, with arms folded.

VISITORS — Members and guests of the Harrow Rotary Club, Harrow, Ontario who attended the international get-together with Romulus Rotary Rotarians take time out from Bar-B-Que chores to pose for their picture. From their smiles it appears that all are enjoying themselves.

REFRESHMENTS — The annual international get-together of Romulus and Harrow, Ontario Rotarians in a Bar-B-Que at Lower Huron Park (Aug. 14) was a "happy success." Above are some of the Rotarians partaking of refreshments.

Trinity Revives Tradition

In olden days in England, as long as 200 years ago, worshippers would march in and around the church carrying banners proclaiming the glory of God.

For the past three Sundays members of Trinity Episcopal Church of Belleville, have been making banners in preparation for a gala opening of the church school Sept. 8.

Like their ancient counterparts, on this date,

young and old alike will join in making "a joyful noise unto the Lord."

The banners will be displayed in the Parish Hall following the Recessional.

Outside, the church tables will be set up for a picnic. Volley ball, baseball and various races will be going on during picnic time.

The day's activities will wind up in the Parish Hall with a song and the showing of a delightful and meaningful film — Asterisk.

We invite all who would like, to make a banner, bring your lunch and join the festivities witnessing to a simple Evangelical Fellowship in which life is guided by the Gospel Precepts.

Are You Registered Plea Issued

BELLEVILLE — "I am registered are you?" bumper stickers made available by Local 600 UAW-CIO, are being used throughout area communities in an all-out campaign by government officials to get people to register for the November general election. The bumper stickers are free for the asking.

City and township clerks are all issued urgent appeals last week and again this week to those who are not registered to vote to do so during office hours at area clerk office and township halls.

Mrs. Erma Jean Payne, Van Buren Township clerk, reported that five deputy registrars are available at the Township Hall to take vote registrations. Deadline to register is Oct. 4.

"The Nov. 5 general election like all elections is important to all citizens. Those who failed to exercise their voting franchise do harm to themselves as well as to their community when their candidate is not elected. They have no right to complaint afterwards when things are not to their liking," Mrs. Payne said.

Senior Club Will Begin New Year

BELLEVILLE — The Belleville Area Senior Citizens Club will begin a new year (third) of activities when the club meets tomorrow, Thursday, Sept. 5, at the Edgemont School at 7 p.m.

The club will celebrate the September birthdays and anniversaries with a large birthday cake and ice cream. Club members having September birthdays include: Lydia Clark, Bill Gordon, Bertha Dolph, Edna Van Buhler, Veronica Szabo and Clarence Bohl. Wedding Anniversaries for September include Russell and Edna Van Buhler and Mr. and Mrs. Ollie Hunter.

Ted Kuckelman, 80-year-old director of the Belleville Area Chamber of Commerce will speak to the club reminiscing about the early scenes of Belleville and what the future holds for it.

PLANS FOR the coming year for the club include a monthly shopping trip to near by shopping centers. On the last meeting of each month (except in December) the club will have a potluck supper meeting beginning at 6 p.m. The second meeting of each

month will see the club have a bingo party for members and friends with small prizes being awarded.

A Garage Sale and Bake Sale for the benefit of the club will be held the last part of September of first of October with Betty Taylor and Letta Melville in charge.

A visiting committee for the purpose of looking in on ill and lonely members of the club and in the community will be picked to serve two month intervals. Also a hospitality couple with be appointed each month to welcome members and introduce visitors and new members at the weekly meetings.

State Farmers Automate

Rising labor costs and a shortage of workers bring increased mechanization to Michigan farms.

Many innovations are developed by farmers. In Newaygo County, one of the most highly developed farm mechanized areas in the nation, one farmer bought an old self-propelled grain combine, removed the thrashing mechanism, and used the power train to run a two-row vegetable harvester.

Ten years ago mechanized fruit harvesting was virtually unknown in the state. Now machines are used for blueberry picking and cherry picking. Breakthroughs are claimed for mechanical harvesting of grapes and tomatoes. Prospects are encouraging for apple-picking machines, reports the Michigan Department of Labor.

The effect of farm mechanization will result in a 40 percent reduction in manpower by 1980, the department predicts. The actual number of workers may be reduced by nearly 60 percent, from 215,000 to 89,000 workers.

As monotonous picking and hoeing jobs for unskilled labor eventually vanish, more interesting jobs are expected to open for skilled technical farm workers on a year-round basis.

If you're thinking of buying beef by the quarter or side be careful, warns the Food Inspection Division of the Michigan Department of Agriculture. Most bulk meat operations in Michigan are legitimate, but the unwary consumer may become a victim of the freezer-meat fraud.

Operators, known as "beef baiters," hawk frozen meat in hundred-pound lots at come-on prices of 29 cents to 39 cents a pound. They mine a rich vein of consumer resistance to high meat prices, exploiting the reasonable-sounding proposition that it pays to buy beef in bulk and store enough for several months' supply in home freezers or commercial lockers.

Large advertising displays amid the weekend supermarket specials proclaim the beef baiter's "bargain." One of the first indications that something is amiss is the ridiculously low price, says Ronald Leach, assistant chief of the MDA's food inspection division. The second suspicion of fraud occurs when the operator suggests a private appointment to "see for yourself" the value of the beef.

The classic bait-and-switch routine is pulled once consumers arrive at the salesroom. The customer is told that the advertised beef is the type used in institutions. If unconvinced, the bargain seeker is led through the meat cooler, past several sides of good-looking beef, to a piece of carcass covered with a thick layer of yellow fat. After one glance, the consumer quickly admires the virtues of any other piece of meat in the shop.

The better meat might be priced more than twice the advertised price and the minimum amount you can buy may be more. An installment sales contract may be promoted which carries high finance charges. The buyer's signature converts the contract to negotiable paper. It is sold to a finance company and the customer suddenly finds he had no recourse for complaint.

There are other ways the operator can bilk the consumer. A customer usually buys "hanging weight" of beef. Legitimate operators trim about 25 percent in fat and bone. The beef baiter will trim as much as half, chopping off great slabs of edible beef which he later sells for stewing meat or hamburger.

Unless you insist on watching the cutting and packaging of your selection, he may substitute a poorer grade of beef for your original choice.

Perhaps the most brazen tactic is the "money-back guarantee." He may buy back his meat at its original price per pound. But he will pay for only the trimmed weight.

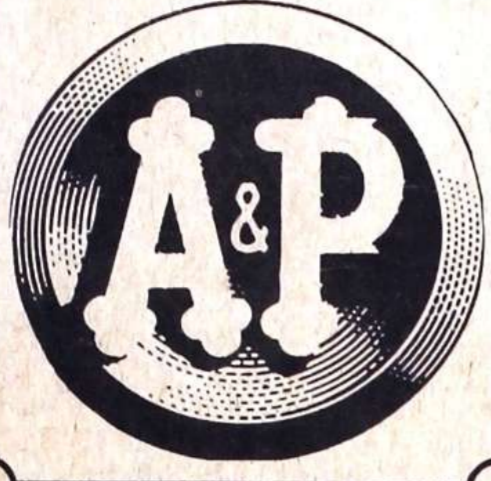

Constant surveillance by the food inspectors hinder the beef baiter in Michigan, but prosecution is often difficult. "There is nothing illegal about persuading customers to buy a better grade of beef than that advertised," says Leach.

Earlier this year the department successfully prosecuted an operator in Pontiac who was short-weighting customers. The man was ordered to pay a fine and make restitution to customers.

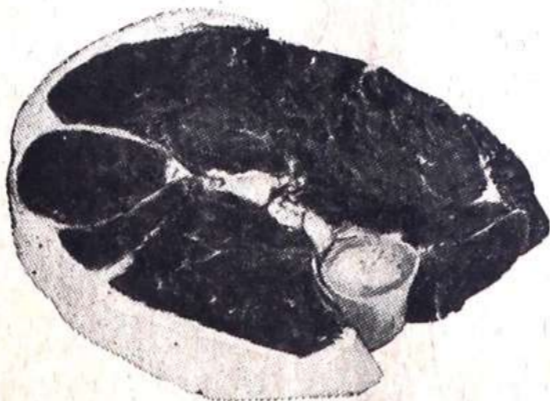

The best protection is consumer education, he said, the consumers are "wising up." He concludes, "People are still getting stuck, but not as much as in previous years."

It takes an expert to grade beef!

In our great country we're lucky. Our government trains and employs experts . . . men who inspect and grade beef at hundreds of locations throughout the nation. They protect you . . . and retailers, like us.

That's why A&P is happy there's a U.S. government inspector on the premises of our meat plant serving this area.

Also important are A&P's own beef experts. Their job is to see to it that A&P Beef measures up to our own "SUPER-RIGHT" quality standards . . . standards which don't exactly fit our government's grading categories. For instance, some beef graded U.S. Choice just doesn't meet our "SUPER-RIGHT" specifications.

No wonder we don't hesitate to guarantee that the "SUPER-RIGHT" Beef you buy will be as flavorful and tender as you think it should be, or your money back.

So, you don't have to become an expert to choose great beef for your family . . . just shop A&P!

A Summer Drama in Pictures

ON MAKEUP CALL — Belleville High students, actors in Belleville Summer Drama Group's first production "The Mouse that Roared" shown in makeup call. The initial production, a two-act comedy, was presented Aug. 28, 29 and 30.

TENSION IN THE WINGS — In a majority of plays at opening time brings on tension and excitement and "The Mouse that Roared" the first presentation of Belleville Drama Group was no exception. Note the facial expression of three cast members.

"A MOUSE? NOT IN THE PALACE" — was the consensus of cast members during one of the scenes of the two-act comedy production that deal humorously with a declaration of war on U.S. Leading roles and play assignment were adequately carried out by area students.

A MOMENT OF TRUTH — Another important and interesting scene in the initial presentation of Belleville's Summer Drama Group's play of make believe, held at Belleville Junior High School James Lightfoot, teacher and director, hopes that the drama production will become an annual program.

Belleville's Summer Drama Group Completes First Season

BELLEVILLE — The Belleville summer drama group completed its first season with the production of a two-act comedy, "The Mouse that Roared."

There were no standing ovations. No shouts of Bravo! Very small audiences. Successful? Yes. With all of its short-comings, there were some exciting performances given by members of the cast and many very entertaining moments throughout all performances.

Those persons who attended the Thursday evening (Aug. 29) or Friday evening (Aug. 30) performances were treated to a night of good entertainment.

IT WAS a fun show which proved to be a delightful experience for cast and audiences alike. It is hoped that Belleville will see more of this kind of entertainment in the near future.

The production was staged by area youth ranging in age from 12 to 17.

This year's summer program got off to a late start beginning during the second week of July. Rehearsals for "The Mouse that Roared" began the first week of August and nothing short of a minor miracle took place when the production hit the stage less than four weeks later.

greater interest in drama on the part of high school students in the future. It is further hoped that such a program will stimulate adult, community response to the needs of its youth," James Lightfoot director, stated.

Show-Sale Is Announced

The Detroit Fall Antique Show-Sale will be held Sept. 11-15 at the Light Guard Armory.

Dealers (150 of them!) from 22 states will be represented, with antiques ranging in size from a tiny coin to a titanic cabinet... and every size and description in between; in short, something for everyone.

Adult Theater Group Here Is Planned

BELLEVILLE — An organization meeting to begin an adult theatre group in the Belleville area will be held on Sept. 10 at the home of James Lightfoot, 14133 Elwell road at 8 p.m.

The membership will be limited to those 18 yrs. and over or those out of high school.

It should be stated that this group is not for actors only. Involvement in the productions in many ways is available.

If you cannot attend this meeting but are interested please contact Lightfoot at 697-0763.

Visitors and conventioners coming to Detroit have a choice of 600 hotels and motels, with more than 18,000 rooms.

Holiday on Ice is the Most Elaborate of All

The world of Broadway and Hollywood, the stage and motion pictures, provides the basic themes for the 24th edition of Holiday on Ice. This is the most ambitious and elaborate of all Holiday editions and features the skating of many stars, including the great Ronnie Robertson and the fantastic Anna Galmarini who were the sensations of the 1968 show.

The creative artistry of many people molded the new show. A new production team, headed by Donn Arden who created, staged and directed the opus, have put together two hours and thirty minutes of wonderful skating, gorgeous costumes, beautiful music, exquisite lighting effects and hilarious comedy.

Holiday on Ice will bring this galaxy of skating stars and glamorous package of

showmanship to Detroit for eight performances at Cobo Arena from September 17, through September 22.

THE TITLES of the production sequences cue the theme of this year's Holiday. There are seven of them: "Hello, New York," "The Pooch Parade," "Jungalo," "Astaire Time," "Rockin' Happy," "The Gates of Granada" and "Star Time."

"Hello, New York" is set in three scenes: "Remember Rector's," "Crystal Palace Gaities" and "The New York of the Cohans and the Castles." Starred are Helga and Jorge Valle, Alice Quessy and the brilliant young team of Juanita Percelly and Tommy Allen.

"The Pooch Parade" presents an outlandish array of skating canines from a Toy Poodle to the St. Bernard, Miss Puppy Pacesetter is the glittering Norwegian, Grete Borgen. The star pooch of them all is the "Ole Houn' Dawg," with Alfredo Mendoza and John LaDue.

The company goes to Africa for "Jungalo," with the tribal chiefs, the jungle queens, and the witch doctors. The Glamour-Icers and Ice-Squires are featured, with the principal excitement being provided by the sensational young Italian star Anna Galmarini, and the pair skating of Jorge and Helga Valle.

RONNIE ROBERTSON stars in the first final finale, a salute to Fred Astaire appropriately called "Astaire Time." It's a skating tribute to the famed dancer and features Ronnie Robertson, Alice Quessy, Marci

Langenbein, and Tommy Allen and Juanita Percelly.

Anna Galmarini takes the spotlight in "Rockin' Time" as a Happy, Crazy Clown. The Glamour-Icers and Ice-Squires add the peppy, pretty and precise background, assisted by Grete Borgen.

Ronnie Robertson has a Spanish background for his second starring role in the production "The Gates of Granada." The rhythms of Old Spain provide the setting. Featured with Ronnie is the German import Marci Langenbein and the Ice-Squires and Glamour-Icers.

THE ENTIRE company hits the ice in "Star Time," it features the movie marquee favorites of all time. Presented in five sequences by Donn Arden who has titled the scenes "Silent Picture Daze," "A Man and his Cane" with a Chaplin ballet, "The Perils of Pauline," "Motion Pictures

that Talk" and "Super Colossal Hollywood," that crazy tinsel town. Impersonations on skates of famed motion picture stars are the highlights of the most pretentious windup ever staged on a skating surface.

Breaking into the glamor and lavish splendor of the production numbers is an avalanche of sparkling comedy with a corps of effervescent funmakers. Paul Andre, one of the great eccentric skaters heads the list. He is assisted by Johnny Leech, a very funny Englishman, and by Alfredo Mendoza.

A newcomer to the comic scene is "Little Lito," a talented performer from the Argentine. A pantomimist, he was a leading night club entertainer when the desire to skate lead him to transfer his laugh making to the ice. His real name is Esteban Italiano and his impressions of famed comedians are wonderful.

BOOSTER DISPLAYED - The United States Air Force's most powerful space booster, the Titan IIIC, will be featured among the many

Air Force displays at the National Aeronautics and Space Exposition at Willow Run Airport.

Space Story to Be Told At Willow Run Air Show

In addition to the NASA exhibit are approximately 200,000 square feet of indoor and outdoor exhibits and more than three hours of aerial demonstrations each day.

The most powerful space booster in the inventory of the US Air Force is the Titan IIIC. It will be featured in the Air Force display.

Adjacent to this mighty space weapon will be the Thor-Able guided missile. Although no longer employed in its original role as an Air Force Intermediate Range Ballistic Missile, the Thor in two versions continues in service as a space booster alone or in combinations with various second-stage space vehicles.

Over 100 other various aircraft and static displays will be open for the public all day before and after the three-hour flight show which will commence at 1 p.m., each day highlighted with the world famous US Navy's "Blue Angels".

An exciting new exhibit, "The NASA Story," will be on display at the National Aviation and Space Exposition at Willow Run Airport, Sept. 14-15. It was announced by James V. Votta, executive vice-president of the Michigan Aeronautics and Space Association and general manager of the exposition.

"The remarkable accomplishments of the National Aeronautics and Space Administration in its brief nine-year history is unmatched in this nation's history. NASA has made a record of which all Americans can take great pride. The NASA exhibit will be a highlight of the 1968 Exposition," Votta said.

The "NASA Story" exhibit provides a theatre atmosphere with color slide and tape sound track in a circular 18-foot diameter by 13-foot high display. Subjects include communication and meteorological satellites, moon photographs, an X15 flight, and astronauts on actual missions.

In addition, models of the Mercury spacecraft, the Gemini spacecraft, the Apollo spacecraft, plus the Lunar Module will be exhibited.

The one-man Mercury spacecraft was the vehicle in which John H. Glenn, Jr. became the first American to orbit the earth on Feb. 20, 1962.

The two-man Gemini series got underway on April 8, 1964, and ended on Nov. 15, 1966, scoring a number of "firsts", such as rendezvous and docking in space and extra-vehicular activity or "space walking."

The Apollo spacecraft is the spacecraft in which the astronauts will fly to the moon and back.

Depending upon NASA training and flight schedules at the time, it is expected an astronaut will also attend the 1968 Exposition.

Stamp Collectors To Gather

DETROIT--The Statler Hilton Hotel, Detroit, will be the site of the annual meeting of the Society of Philatelic Americans, and SPAPEX 68, staged by the Michigan Stamp Club.

Plans are being made for an exhibition of 250 frames of stamps and related philatelic material, to be held Friday, Saturday and Sunday, Sept. 6, 7 and 8. Hours will be from 10 a.m. to 10 p.m. Friday and Saturday, and from 10 a.m. to 6 p.m. Sunday.

Admission is free. Registration for those desiring an Exhibition kit, will be \$1.

The banquet will be held Saturday evening. Banquet tickets will be available at the exhibition both Friday and Saturday.

Carl P. Rueth, editor of Linn's Weekly Stamp News, will be speaker at the banquet.

The bourse, which will be open during exhibition hours, will be representative of dealers from United States and Canada.

Boyle Challenges Joggers to Contest

WESTLAND - Area joggers are challenged by John F. Boyle, Republican Congressional candidate, to join in a jogging contest at the K-Mart Shopping Center, Wayne Road at Cherry Hill, Saturday at 11 a.m.

Boyle, who fills himself "The Hardest Running Candidate in the USA", stated: "Saturday morning is a great opportunity for all those who have heard about this fast-growing sport to get some first-hand experience and meet neighbors of like interest."

"The course layout of nearly one-and-a-half-miles around the shopping center and through the adjacent neighborhood should prove interesting for both the novice and experienced jogger."

"Hopefully, all the contestants will make a jog a part of their daily lives."

Trophies will be awarded for male winners over and under 21 and a special award for the best female contestant.

Nine additional contests are scheduled throughout the 15th Congressional district on successive Saturdays.

Toth Asks Explanation on Drain Levies

BELLEVILLE — A request for payment of \$2,176 in Van Buren township drain assessments by the Wayne County Drain Commission prompted immediate demand for an explanation and a minute and detailed report by Louis A. Toth, township supervisor.

A communication from the commission to township administration called for an at-large assessment of \$2,176.91 against property owners residing in some 28 drain districts in the township.

Toth expressed surprise on the demand by the commission for drain assessments reportedly due. He claimed lack of any knowledge on drain repair and or maintenance that brought the assessments.

Approximately five years ago Van Buren Township and the County Drain Commission entered into an agreement for the cleaning maintenance and repair of township drain districts.

UNDER THE agreement, Toth, reported, the supervisor (as township drain commissioner) would handle all drain problems in the township thus relieving the commission of the burden.

Drain complaints by residents would be investigated by the township and the people in the drain, if necessary, would be notified of their rights to petition for drain repair by the commission crews. Toth asked for an immediate meeting on the payment demand.

In a letter to the Drain Commissioner Henry V. Herrick, Toth stated:

I have just received the drain assessments due in Van Buren Township, and I am at a loss for words at the amount that has been spent in Van Buren. As you know five years ago we entered into an agreement that the Township would handle all drain problems in our area and relieve you of this burden.

I do not know what has been done to warrant this expenditure listed as we have taken care of all complaints and notified the people of their rights to petition and additional, all the things necessary to maintain our drains.

It seems to me that somewhere along the line communications have fallen down to my disappointment. I would like to meet with you or a representative from your office as soon as possible pertaining to this vital issue.

The Township Board has also requested a complete breakdown of these expenditures and the maps of the assessment districts.

I wish to stress the importance of this meeting, the breakdown and the maps due to the spreading of the tax rolls as this must be presented to the County by the 15th of September.

ROMULUS TOWNSHIP BOARD MINUTES

MINUTES OF A SPECIAL MEETING OF THE ROMULUS TOWNSHIP BOARD HELD ON AUGUST 23, 1968, IN THE TOWNSHIP HALL.

The meeting was called to order at 7:30 P.M. by Chairman Bizek.

Attendance Roll Call showing:

Present: Bizek, Perry, Wallis, Raspberry, Stewart, Wegienka. Absent: None.

Excused: Pennington. Also in attendance — Township Attorney John E. Young.

Motion by Stewart, supported by Wallis, to approve the agenda as presented. Motion carried unanimously.

SUPERVISORS REPORT
Motion by Raspberry, supported by Stewart, to accept Kelsey-Hayes' offer to renovate the Township sign near the I-94 Expressway as follows:

"Offers a Bright Future for Industry", with all Township Board members' names. Motion carried unanimously.

Motion by Raspberry, supported by Wallis, that it is the finding of the Township Board that in consideration of all circumstances surrounding the problem at McBride Street, that if adequate screening is agreed upon by all the neighbors involved and with Mr. Binkow (Rose Hill Builders) that this will constitute substantial compliance with our Township Ordinance, and that Mr. Bizek be empowered to lift the stop order when he is satisfied there is adequate assurance of proper screening and acquiescence evidenced by Mr. Binkow. Motion carried. Stewart voting nay.

Motion by Wallis, supported by Raspberry, that the Board concurs in its previous action of approving the contract with Parkins & Rogers and the Township of Romulus and also approves the signing of the contract under the new account of \$61,000.00 as established by the Federal Government since they have now reviewed the contract. Motion carried unanimously.

Motion by Wallis, supported by Raspberry, that Harold L. Reiner, applicant for the assessors job be present at the next Board Meeting. Motion carried unanimously.

WATER DEPARTMENT REPORT
Motion by Wallis, supported by Wegienka, to approve the Water Department Report as presented by Mr. Pritula. Motion carried unanimously.

SPECIAL ASSESSMENTS
Motion by Stewart, supported by Wallis, to adopt a resolution to place dust palliative assessments on the 1968 tax rolls. Motion carried unanimously.

Motion by Wallis, supported by Stewart, to adopt a resolution to place street lighting assessments on the 1968 tax rolls. Motion carried unanimously.

Motion by Raspberry, supported by Wegienka, to adopt a resolution to place delinquent water accounts on the 1968 tax rolls. Motion carried unanimously.

Motion by Wallis, supported by Stewart, to adopt a resolution to place delinquent sewer and water accounts on the 1968 tax rolls. Motion carried unanimously.

Motion by Raspberry, supported by Wegienka, to adopt a resolution to place delinquent sewer and water accounts on the 1968 tax rolls. Motion carried unanimously.

Motion by Wallis, supported by Stewart, to adopt a resolution to place delinquent sewer and water accounts on the 1968 tax rolls. Motion carried unanimously.

Motion by Raspberry, supported by Wegienka, to adopt a resolution to place delinquent sewer and water accounts on the 1968 tax rolls. Motion carried unanimously.

Motion by Wallis, supported by Stewart, to adopt a resolution to place delinquent sewer and water accounts on the 1968 tax rolls. Motion carried unanimously.

Motion by Raspberry, supported by Wegienka, to adopt a resolution to place delinquent sewer and water accounts on the 1968 tax rolls. Motion carried unanimously.

Motion by Wallis, supported by Stewart, to adopt a resolution to place delinquent sewer and water accounts on the 1968 tax rolls. Motion carried unanimously.

Motion by Raspberry, supported by Wegienka, to adopt a resolution to place delinquent sewer and water accounts on the 1968 tax rolls. Motion carried unanimously.

Motion by Wallis, supported by Stewart, to adopt a resolution to place delinquent sewer and water accounts on the 1968 tax rolls. Motion carried unanimously.

Motion by Raspberry, supported by Wegienka, to adopt a resolution to place delinquent sewer and water accounts on the 1968 tax rolls. Motion carried unanimously.

Motion by Wallis, supported by Stewart, to adopt a resolution to place delinquent sewer and water accounts on the 1968 tax rolls. Motion carried unanimously.

Motion by Stewart, supported by Wegienka, to establish a Traffic Bureau for the Township and that Mr. Perry, Attorney Young and Mrs. Tanner of Judge Rogalle's office meet and discuss the creation of this new department in the Township. Motion carried unanimously.

Motion by Raspberry, supported by Wegienka, to adopt the combined Water and Sewer and Rate and Bond Ordinance No. 68-71. Roll call vote showing — Ayes: Perry, Bizek, Wallis, Stewart, Wegienka, Raspberry. Nays: None. Motion carried unanimously.

Motion by Perry, supported by Raspberry, to have Attorney John Young draw up the appropriate resolution regarding Ernie Copocchia Equipment, Inc. Motion carried unanimously.

Motion by Raspberry, supported by Wallis, that we review the contract with Canejo & Sons and obtain new figures from the Water & Sewer Department, and check the Certificate of Occupancy. Motion carried unanimously.

Motion by Raspberry, supported by Perry, to adopt appropriate Depository Resolutions drawn up between Manufacturers National Bank and the Township of Romulus. Motion carried unanimously.

Motion by Perry, supported by Wallis, to adopt a resolution similar to Van Buren's regarding the clean-up of the Huron River. Motion carried unanimously.

Motion by Perry, supported by Raspberry, to have Attorney John Young check the letter regarding the cost for the installation of flashing light signals by the Chesapeake and Ohio Railway Company at Bibbins Street, and advise the Board on what action to take. Motion carried unanimously.

Motion by Perry, supported by Wallis, that Joe Crova paint and make the necessary repairs to Fire Truck No. 304. Motion carried unanimously.

Motion by Stewart, supported by Perry, to receive and file a communication from Dearborn Heights regarding jet noise. Motion carried unanimously.

Motion by Raspberry, supported by Wallis, to approve the United Foundation request for a "Torch Drive" October 14, 1968 through November 7, 1968. Motion carried unanimously.

Motion by Stewart, supported by Wegienka, to leave the voting machines in their respective precincts and not to consolidate them all to one area for the recount by the County Board of Canvassers. Motion carried unanimously.

Motion by Stewart, supported by Raspberry, that Earl Jefferies be hired as Code Enforcement Officer as of August 26, 1968. Motion carried unanimously.

Motion by Raspberry, supported by Wegienka, to pay vouchers A-3525 through A-3428 inclusive. Motion carried unanimously.

Motion by Raspberry, supported by Wegienka, to adjourn. Motion carried unanimously.

Meeting adjourned at 10:40 P.M. by Chairman Bizek.

Respectfully submitted,
ALFRED J. PERRY, Clerk
Township of Romulus

I, Alfred J. Perry, Clerk of the Township of Romulus do hereby certify that the foregoing is a true copy of the minutes of the Special Meeting of the Romulus Township Board held on August 23, 1968, in the Township Hall.

ALFRED J. PERRY, Clerk
Township of Romulus

APPROVED:
EDMUND BIZEK, Supervisor

TOWNSHIP OF ROMULUS AUDIT REPORT

April 11, 1967 to April 10, 1968

To the Romulus Township Board
Romulus, Michigan

We have examined the statements of cash receipts and disbursements for the various funds of the Township of Romulus for the fiscal year ended April 10, 1968. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statements of cash receipts and disbursements and supporting schedules of the various funds present fairly the financial position of the Township of Romulus at April 10, 1968, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

Respectfully submitted,
Post, Smythe, Lutz, and Ziel/S/

JOSEPH WALLIS, Treasurer
TOWNSHIP OF ROMULUS

Rezones For Center

ROMULUS — Sixteen acres of land, located on the southeast corner of Wayne Road and Goddard Road, has been rezoned by the Romulus Township Board to permit construction of the Township's proposed civic center.

The land, owned by the Township, was rezoned from Light Industry to Commercial. A Municipal Building, library, police department and other facilities are to be built on the site.

The recently created (approved last March, 1968) Romulus Building Authority and the architectural firm of O'Dell, Hewlett and Luckenbach, Inc., appointed to begin work on schematic designs for the new civic center, are presently studying construction designs and plans.

Members of the Building Authority are Edward Stuart, Edward Galaska and

Priest-Principal Heads Catholic School Survey

DETROIT - Archbishop John F. Dearden has named the Rev. Father Joseph B. Blinstrub, principal of Port Huron Catholic High School, to head a financial and practicality survey of over 100 Catholic high schools and 260 elementary schools within the Archdiocese of Detroit.

Father Blinstrub's new headquarters will be in the Gabriel Richard Building in Detroit, where he will be an assistant to the Rev. Father John B. Zwiers, Archdiocesan Superintendent of Schools.

He will be succeeded as

principal in the Port Huron school by the Rev. Father C. Peter Dougherty, presently director of the school's guidance department.

Father Blinstrub will cooperate in the survey with pastors, local school bodies, educational associations and various committees already studying aspects of Catholic education as well as with representatives of four orders of nuns with major teaching responsibilities within the Archdiocese: the Sisters, Servants of the Immaculate Heart of Mary (I.H.M.), the

Detroit Province of Felician Sisters, the Dominican Sisters of Adrian, and the Sisters of St. Joseph of Nazareth, Mich., and selected members of other orders.

THE SURVEY grew out of a two-day meeting two months ago on the future of Archdiocesan schools, which constitute the second largest educational organization in Michigan, being exceeded only by schools under the control of the Detroit Board of Education.

It was decided that the

educators needed updated facts on the financial and practical basis of each school, to guide possible consolidations and, when necessary, closings.

Catholic schools, like schools generally, are caught in a financial bind that has resulted in a few parishes being unable to keep their schools open. Most of these have been in inner-city parishes.

Jeff Cetlinski, junior tailback, led the 1967 Wayne State University football team in scoring as a sophomore with 56 points.
